1 Authorised Users and your obligations

1.1 We may issue a Card (and issue or agree related Security Details) for use by an individual you nominate as an Authorised User on the Account. You will be liable for all amounts that arise from the use of a Card by an Authorised User or that we incur regarding such use. This includes any use in breach of this Agreement – which we are not obliged to prevent – that may be debited to the Account unless otherwise agreed in the Account conditions.

1.2 You must ensure that:

- (a) each Authorised User signs their Card as soon as they receive it;
- (b) each Authorised User is aware of and complies with the Conditions of Use and any other requirements in the User Guide that apply to them as a cardholder. In particular Authorised Users must not allow anyone else to use their Card, Card details or Security Details and must always keep their Card safe;
- (c) you and all Authorised Users follow any instructions we give regarding the safekeeping of a Card, Card details and Security Details; and
- (d) neither a Card nor the Card details are used for any illegal purpose.

1.3 All Cards belong to us. If we ask for a Card back, you must ensure it is not used again and you must return it immediately, cut in half across the black stripe or through the smartcard chip. A person acting for us may take or retain the Card on our behalf.

1.4 A Card is only valid for the time period printed on it. You must ensure it is not used outside that period.

1.5 At any time we may cancel or suspend the use of a Card if:

- (a) we reasonably suspect its fraudulent or other misuse; or
- (b) that any security requirements relating to the use of the Card, Card details or Security Details have been compromised; or
- (c) if we are required to do so by the order of any court, a direction or decision of a regulator or any other legal or regulatory requirement.

If we do cancel or suspend the use of a Card, we will tell you as soon as possible unless the law prevents us doing so or we reasonably believe it would undermine our security measures. Once a Card has been cancelled, you should ensure that the Authorised User stops using the Card and that it is destroyed by cutting it in half across the black stripe or through the smartcard chip.

1.6 When a Card expires, or is lost or stolen, we may provide you with a new Card.

1.7 From time to time you may apply for us to issue Cards to new Authorised Users on forms we provide for this purpose. You may also terminate an Authorised User's authority to use a Card. If you do so, you must destroy the Authorised User's Card by cutting it in half across the black stripe or through the smartcard chip.

2 Security Details

2.1 You must ensure that Authorised Users take all reasonable steps to keep the Card and Security Details safe and in particular that they comply with the following:

- (a) On receiving a PIN or other written Security Details, the Authorised User must memorise the number and then destroy the slip on which it is printed.
- (b) An Authorised User must keep their Security Details secret and not let anyone else know them, or use them.
- (c) An Authorised User must never write Security Details on their Card or on anything they ever keep with the Card.

2.2 If the type of Card is changed, we will issue or agree new Security Details for Authorised Users. For example if you previously had Keycards for the Account and now have Business Debit Cards, the existing PINs will not work with the new Cards.

2.3 When an Authorised User receives a PIN, they can change it to one of their own choice through our ATMs by following the on- screen instructions that appear when they enter the current PIN. This option is not available for about 30 days before we issue a renewal Card. To prevent fraud we restrict the use of some easily guessed numbers.

3 Chip Cards

3.1 Any programs and data held on an integrated circuit within a Card are our private property. It is a criminal offence to obtain unauthorised access to a program or data in the chip, or to make unauthorised modifications to the chip's contents.

4 Card Transactions

4.1 A Card can be used to make withdrawals and (if you have a Debit Card), Debit Card Transactions from your Account through the various facilities we make available to you. If the service is available, it may also be possible to use the Card, Card number and PIN to make deposits into your Account. When using a Card for a Card Transaction, the Card Transaction will be properly authorised:

- (a) by the Authorised User presenting the Card at a contactless terminal;

- (b) by the Authorised User using the Card or Card Details together with the Security Details, and where appropriate using any “Proceed” , “Enter” or similar key. Once the “Proceed”, “Enter” or similar consent has been given, authorisation for immediate transactions cannot be withdrawn; or
- (c) by the Authorised User signing a receipt for the Card Transaction. If the Authorised User has signed a receipt for the Card Transaction, authorisation for immediate transactions cannot be withdrawn once the signed voucher has been accepted by the Retailer for a Debit Card Transaction or the other party to a Counter Transaction.
- 4.2 We will show Card Transactions on the statement we provide or make available for your Account. We recommend you check your statement regularly. If an entry seems wrong, you should tell us as soon as possible so we can sort it out. Delay in telling us may make correcting any error difficult. If we need to investigate a Card Transaction on your Account, you and any Authorised User should co-operate with us and the police, if we need to involve them. In some cases, we will need you and an Authorised User to give us confirmation or evidence that a Card Transaction has not been authorised. In addition to checking statements, you should tell us as soon as possible by phoning us on **0345 600 9179** if you or an Authorised User becomes aware of a Card Transaction that has not been authorised.
- 4.3 If we incorrectly apply, or omit to apply, a Card Transaction to your Account, we will correct our act or omission and refund to you any interest and charges you have directly incurred on your Account that would not have been incurred had we applied the Card Transaction correctly. If you are not a Micro-enterprise, we will have no further liability to you. You must tell us as soon as possible after you become aware of any incorrect Card Transaction on your Account.
- 4.4 If you make a Card Transaction in a foreign currency, we will use the Payment Scheme Exchange Rate to convert it into £ sterling on the day we debit the payment (in sterling) to your Account. We add a 2.75% non-sterling transaction fee to the converted sterling amount. This is a fee for currency conversion. We will show this fee and the converted sterling amount on your statement. The day of the currency conversion may be after the day of the Card Transaction. You can find out the Payment Scheme Exchange Rate on the Visa website, visit www.visaeurope.com. You will be able to find more information on our website about the exchange rates that apply to your transaction to help you compare them with other card issuers’ rates.
- The Payment Scheme Exchange Rate changes on a daily basis, and is applied immediately.
- Cash withdrawals abroad are charged a 2.75% non-sterling transaction fee, plus a non-sterling cash transaction fee of 1.5% of the transaction amount (minimum £1.50). The non-sterling cash transaction fee will not be charged if you:
- withdraw euro within the EEA or UK; or
 - withdraw euro from outside the EEA or UK and the cash machine operator’s payment service provider is based in the EEA or UK.
- 4.5 Authorised Users may use their Cards to withdraw cash of up to £700 for a Business Debit Card and £500 for a Business Keycard per day (if funds are available), from ATMs in the UK as well as banks and bureaux de change showing the VISA sign abroad. If a Card is used to withdraw cash from another bank, ATM operator or bureau de change, they may make a handling charge. ATM limits may also apply.
- 4.6 A Card and PIN can be used in some ATMs and at counters in some Bank branches to get information about the accounts in the name of the Business. By signing this Agreement you give us your consent to disclose this information to an Authorised User.
- 4.7 When a Card is used to withdraw cash from an ATM or from within a Bank branch at a counter, we will debit that amount, plus any handling charge imposed by the operator, from your Account. This applies whether or not the Account is already overdrawn or becomes overdrawn as a result.
- 4.8 A Retailer, ATM operator or other third party may contact us or an agent acting for us, for confirmation – or ‘authorisation’ – that we will pay a Card Transaction. We have the right to refuse authorisation for a particular Card Transaction if this is reasonable. Examples include if the Card Transaction makes your Account overdrawn or exceed a limit set; you are in breach of this Agreement; or we (or the systems we use) reasonably suspect the Card Transaction is fraudulent. If authorisation is given, that Card Transaction will immediately reduce the available funds on your Account. If a Card Transaction is declined, you may contact us on **0345 300 0268** from 7am to 8pm Monday to Friday (excluding Bank Holidays) and from 9am to 2pm on Saturdays. If we have declined the Card Transaction we will, where reasonably possible, tell you why. If the reason for our declining the Card Transaction was based on incorrect information, we will agree with you what needs to be done to correct it.
- 4.9 You agree to us not sending you certain information, such as electronic messages, after each Non-Currency Transaction as there is no legal requirement to send this information to business customers.
- ## 5 Your Account
- Conditions 5.1, 5.2 and 5.3 are not relevant to the Islamic Current Account.**
- 5.1 We provide Cards for Authorised Users so you can operate your Account more conveniently. A Card itself does not give you an automatic overdraft or any other form of credit. If you would like to have – or to increase – an overdraft on the Account, you must apply to us in the usual way. Once we have agreed to an overdraft, you can draw on it by Authorised Users using their Card(s) but you must never go over your overdraft limit.
- 5.2 If the use of a Card creates an overdraft that we have not agreed or that exceeds an agreed overdraft limit, you will have broken the Account terms. You must repay the excess amount immediately. Under the Account terms, and in our sole discretion and without contacting you, we are entitled to allow the Account to become overdrawn or the agreed overdraft limit to be exceeded. In these circumstances the new or excess overdraft is an unauthorised overdraft. We will then be entitled to charge interest at our standard rate for unauthorised overdrafts and to debit that interest and any resulting bank charges from your Account.
- 5.3 At any time we may:
- (a) demand repayment of any borrowing on your Account (plus interest and charges, if applicable), or require you to close the Account;
 - (b) refuse to allow any further borrowing on an overdraft without giving you notice, although we will send you written confirmation.
- 5.4 We will debit the amount of each Card Transaction to your Account when we receive confirmation of the transaction from the card scheme. You are liable to pay us all amounts so debited. You are also liable to pay all charges debited in line with this Agreement.
- 5.5 At any time we are entitled to alter our charges, by giving notice in line with condition 10.1.
- For Islamic Current Account customers only:**
- 5.6 We will provide Cards for Authorised Users so you can operate your Islamic Current Account more conveniently. A Card itself does not give you an automatic overdraft or any other form of credit. Borrowing is not permitted on the Islamic Current Account. You will not be able to have an agreed overdraft (where the balance of your account falls below £0) on your Islamic Current Account.
- 5.7 If use of a Card creates an overdraft, you will have broken the terms of the Islamic Current Account and you must repay the amount immediately. Under the Islamic Current Account terms, in our sole discretion and without contacting you, we are entitled to allow your Islamic Current Account to become overdrawn. In these circumstances, any amount you borrow that takes the balance of your account below £0 is an unauthorised overdraft. We may charge you an unauthorised borrowing fee at our standard published rates and to debit it and any resulting bank charges from your Islamic Current Account.
- 5.8 At any time we may demand repayment of any unauthorised borrowing on your Islamic Current Account (plus charges).
- 5.9 If you ask us to switch your Islamic Current Account to another standard current account with the Bank, interest may be payable on the new account.
- ## 6 Charges
- 6.1 Full information on our charging and interest rates is set out in our Charges brochures and on our website at bankofscotlandbusiness.co.uk (refer to “Rates and Charges”).
- ## 7 Acceptance of your Card
- 7.1 We are not liable if a Retailer, service provider, bank or ATM or other machine does not accept your Card.
- ## 8 Lost or stolen Cards or confidential information and unauthorised transactions
- 8.1 If a Card is lost, stolen, misused or likely to be misused for any reason at all, or if someone else discovers the Security Details, then as soon as possible the relevant Authorised User or you must:
- phone **0800 015 1515** if you’re in the UK or, if you’re abroad **+44 1702 278 270** (24 hours). We may ask you to send us written confirmation within seven days.

Liability for losses

8.2 This condition 8.2 applies if you are a Micro-enterprise:

- (a) Unless we can show that you or an Authorised User have acted fraudulently or have not taken all reasonable care to keep a Card or Security Details safe and in line with our security requirements, you will not have to pay anything for the use of a Card or Card details that:
- are used before the Card or Card details are received; or
 - are lost or stolen, or liable to misuse, provided you tell us as soon as you become aware of such loss or theft or that they may be misused.
- (b) Unless we can show that you or an Authorised User have acted fraudulently, you will not have to pay anything for the unauthorised use of a Card or the Card details where the cardholder does not need to be present or where your Security Details were not required.
- (c) Unless we can show that you or an Authorised User have acted fraudulently or have not taken all reasonable care in keeping a Card, Card details or Security Details safe and in line with our security requirements, we will refund to the Account the amount of an unauthorised Card Transaction. We will also refund any interest charged for that Card Transaction and any charges directly incurred on the Account that would not otherwise have been incurred.

If we are not required to refund you under condition 8.2 (for example because you acted fraudulently), you will be responsible for all losses arising out of or in connection with unauthorised Card Transactions.

8.3 As condition 8.2 applies only if you are a Micro-enterprise, this condition 8.3 applies if you are not. The Payment Services Regulations 2009 (as replaced or amended from time to time) apply only as far as stated here:

- (a) We are only liable to you for unauthorised Card Transactions after you have notified us of the loss, theft or misuse of the Card or Card details. If we are reasonably satisfied that the Card Transaction was unauthorised, we will refund the amount of the Card Transaction to your Account. We will also refund you any interest and charges you directly incur on the Account as a result of the Card Transaction but we will not have any further liability to you.

If you or any Authorised User have acted fraudulently or have not taken all reasonable care in keeping a Card or Card details safe and in line with our security requirements, you will be liable for all losses for any unauthorised Card Transactions.

8.4 Both you and the relevant Authorised User must cooperate fully with us, our agents or the police in investigating any loss, theft or possible misuse of a Card, Card details or disclosure of the Security Details and in recovering a missing Card. If we suspect that a Card or any of the Security Details have been lost or stolen or are liable to misuse, we may take whatever steps we think necessary to deal with the risks. We may also pass on any information we think appropriate to other banks, to VISA outlets or anyone else who accepts a Card as a means of payment or withdrawal, or to the police or other authorities or any other relevant third party.

8.5 If a Card is found after we have been told it is missing, it must not be used. You should destroy it immediately by cutting it in half across the black stripe or through the smartcard chip.
