2. Term

This Agreement will continue until you or we end it (see "Ending the Agreement").

3. Scheme Limit and Cardholder Limits

We agree the Scheme Limit with you when you apply for your Product and show it in your Business Statement. You must choose a Cardholder Limit for each Cardholder, which must not exceed the Scheme Limit. Each Cardholder must never exceed their Cardholder Limit. In deciding whether or not any such limits have been exceeded, we will look at the amount of any Transaction not yet debited and any authorisation we have given regarding a prospective Transaction.

We will not increase the Scheme Limit or any Cardholder Limit without telling you. You can refuse any increase and we will tell you at the time how to do this. In some circumstances, we may lower the Scheme Limit. Generally, we will tell you in advance if we intend to do this but may not always do so. If the Scheme Limit is reduced, individual Cardholder Limits may also be reduced. If the Scheme Limit or any part of it has been unused for a six-month period, we may reduce the Scheme Limit, taking into account your product spending profile in the six months before that period.

We can decline Transactions that take a Cardholder over their Cardholder Limit or take you over the Scheme Limit. But if we do allow them, you must repay us the excess and any charges you owe us as soon as we ask you to.

How you can change your limits is set out below.

Change the Scheme Limit	Change the Cardholder Limit
Using the form we provide. Any increase is subject to our credit review and approval process. You may also ask us to decrease your Scheme Limit subject to any minimum we require.	You or the Programme Administrator can ask us in writing. If the new Cardholder Limit remains within the Scheme Limit, we will put it in place within 10 Business Days after you have asked us to. The Programme Administrator is responsible for telling the Cardholder about changes in their Cardholder Limit.

4. If you don't pay on time

You must pay Charges on any sum you don't pay on time. You can find details of Charges on our Website or are as otherwise notified to you in writing from time to time in line with the Agreement.

We may charge you our reasonable costs for collecting any sum not paid on time or resulting from any other breach of the Agreement or Conditions of Use.

We want your business to succeed, but we know you may sometimes need extra support. You should contact your relationship manager as soon as possible if your business is having financial difficulties. We'll always try to help you, and try to develop a plan with you to deal with the difficulties.

5. OCMS

We grant you a non-transferable, non-exclusive, revocable, limited right to use OCMS by allowing access to OCMS by the Programme Administrator, Cardholders and Users (if applicable) subject to the Agreement and the Conditions of Use.

You must make sure that only the Programme Administrator, Cardholders and Users (if applicable) are permitted to use OCMS.

Unless the law says you are not responsible, you promise to pay us all losses, costs, claims, damages and expenses we incur if:

- (1) you, the Programme Administrator, a Cardholder or User (if applicable) gives us incorrect information or instructions;
- (2) your access to OCMS is misused;
- (3) you, the Programme Administrator, a Cardholder or a User breaks the Agreement or the Conditions of Use; or
- (4) you fail to follow any reasonable instructions we give you.

OCMS, any related services and any information given under OCMS will be provided on an "as is" and "as available" basis.

6. Third Party Providers

Your Programme Administrator can allow a TPP to access the information on your Business Account for you if you are registered for OCMS. If the TPP identifies itself to us, and complies with relevant regulatory requirements, we'll treat any instruction from a TPP as if it were from you.

If we are concerned about fraudulent or unauthorised access by a TPP, we may refuse it access to your account information. Before we do this, we'll tell you and explain why, unless it is not reasonably practicable, in which case we'll tell you immediately afterwards. In either case, we'll tell you in the way we consider most appropriate. We won't tell you about refusing access to a TPP if doing so would compromise our reasonable security measures or otherwise be unlawful.

We may make available to a TPP a specific means of accessing your account. If we do, and it tries to access your account in another way, we may refuse to allow that access.

If you use a third party card issuer, that TPP may be able to request confirmation from us that you have the necessary credit available on your Business Account for it to approve a transaction. We'll only respond to a request if you have expressly told us we can.

7. Liability

You (and not the Cardholder or User) are responsible for all costs, losses or charges arising directly or indirectly from use of a Payment Device unless we have stated otherwise in the Agreement.

8. Payment instructions

We will treat a payment instruction requesting that we execute a payment as received when we actually receive it, unless a Cardholder instructs us to carry out a Transaction on a future date or a series of recurring Transactions on future dates. In that case, we will treat the date we are required to carry out the Transaction as the date we receive the payment instruction.

If we receive any payment instruction after the cut-off time on any Business Day or on a day that is not a Business Day, we will treat it as if we received it on the next Business Day. You can find our payment cut-off times on our Website.

9. Managing your Payment Devices

How you can manage your Cards is set out below.

Apply for a new Payment Device	End a Cardholder's use of a Payment Device
The Programme Administrator must submit a request on OCMS or call or email our customer service team.	The Programme Administrator must submit a request on OCMS or call or email our customer service team. The Cardholder's use of a Payment Device will not end until the Payment Device is destroyed. If it is a Card, this means cutting it in two through the chip, and returning it to us.

A Programme Administrator may not apply for or authorise their own Payment Device. If there is only one Programme Administrator appointed, a new Programme Administrator should be appointed.

**You, Programme Administrators and Cardholders must not use a Payment Device:**

- a) for any illegal purpose;
- b) after its expiry date; or
- c) after we have cancelled or put a stop on it.

10. Lost or stolen Payment Devices**You must tell us or ensure the relevant Cardholder tells us immediately if a Payment Device is lost or stolen; you or they think someone else knows any of its security details; or it might have been misused.**

You or the relevant Cardholder can contact us by phone on 0800 096 4496 (24 hours if it's about a lost or stolen Payment Device, but Monday to Friday 8am–8pm, Saturday 9am–4pm if it's about fraud). If abroad, call +44 1908 544059. We may ask for written confirmation within seven days, and it must include the Payment Device account number.

All Payment Devices are our property. If a Payment Device is later found, it must not be used and must be destroyed (for Cards, cut in two through the chip). You may be required to return the Payment Device to us.

Both you and the relevant Cardholder must provide all information we reasonably request. You and they must also assist us, our agents and the police (if we need to involve them) in investigating the loss, theft or possible misuse of a Payment Device, or the disclosure of any security details, and must assist us in recovering the Payment Device. Regarding such matters, both you and each Cardholder consent to our telling relevant third parties about the particular account.

When a Payment Device expires, is lost or stolen, or is damaged, we may issue a new one.

You may be covered by liability waiver insurance, subject to and in line with the terms and conditions of the insurance policy from time to time in force. A copy of the terms and conditions of the policy can be viewed at <https://business.bankofscotland.co.uk/commercial-terms.html>.

11. Stopping or suspending a Payment Device and the Services

We can stop the use of a Payment Device or refuse to issue a new one, where reasonable if:

- (1) we're worried about its security;
- (2) we think its use has been unauthorised or fraudulent;
- (3) we think the risk of you not repaying the credit is significantly increased; or
- (4) we reasonably believe that not doing so may cause us to breach a legal requirement or may expose us (or another company in the Lloyds Banking Group) to action from any government or regulator.

If we stop a Payment Device or refuse to issue one for any of these reasons, we are not responsible for any resulting loss or damage you may suffer.

We'll tell you as soon as we reasonably can if we are going to stop or have stopped the use of a Payment Device, and why, unless the law prevents us doing so or it would undermine our security measures. We won't stop a Payment Device for longer than we need to. We will let you use it again or give you a new one as soon as possible.

If you have a Card and we have stopped its use, you'll be responsible for taking steps to ensure it is recovered and destroyed (cut in two through the chip). You may be required to return the Card to us.

If you need to discuss the stop on a Payment Device with us, you can call us on 0800 096 4496 (if abroad +44 1908 544059) or write to us at Bank of Scotland Card Services, PO Box 6061, Milton Keynes MK7 8LE.

We can suspend your access to the Services, including by lowering or removing the Scheme Limit, and take steps to end your Agreement in accordance with Condition 22 of these General Conditions (Ending the Agreement), if:

- (1) we think you no longer want the Services because you haven't been using them in the last 24 months;
- (2) you seriously or repeatedly breach the Agreement or another agreement you have with us;
- (3) you, a Cardholder or a User does anything we reasonably believe will seriously damage our reputation;
- (4) you repeatedly fail to pay any amounts due to us under the Agreement;
- (5) we find you entered into the Agreement without informing us in writing, that material litigation was – or material administrative, criminal or judicial proceedings were – being taken against you ("material" means likely, if successful, to have a damaging effect on you); or
- (6) you are Insolvent.

We treat you as **Insolvent** if:

- you or any other person takes or threatens to take any step in connection with –
 - a suspension or re-scheduling of payments by you, a moratorium of any of your debt or your dissolution or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise);
 - the making of an arrangement with any of your creditors;
 - the appointment of an administrator or the intention to appoint an administrator in respect of you;
 - the appointment of a liquidator, receiver or any similar office, in respect of you or any of your assets; or
 - any equivalent procedure in any jurisdiction;
- you can't pay your debts as they fall due; or
- you stop trading or threaten to.

We'll tell you as soon as we reasonably can if we are going to suspend your access to the Services, and why, unless the law prevents us doing so or it would undermine our security measures.

12. Processing Transactions

We may refuse to process or delay processing any Transaction if:

- (1) it would cause you to exceed a limit we have set;
- (2) its completion is prevented by the payee's account;
- (3) it seems unusual when considering how the relevant Cardholder Account is normally used or we reasonably believe it may be fraudulent;
- (4) by processing it, we reasonably believe that we would infringe any law, regulation or the rules of the Payment Scheme or any industry good practice or that we may be exposed to action from any government or regulator;
- (5) not acting on the instruction to process it or delaying to act on the instruction would help us comply with money laundering laws or regulations;
- (6) the instruction to process it is inaccurate or incomplete;
- (7) acting on the instruction to process it would breach the Agreement;
- (8) the payment instructions relate to a country from or to which we may decide not to process payments (for example, a country in relation to which sanctions are in place);
- (9) you are in breach of the Agreement; or
- (10) any of the reasons for ending the Agreement under "Ending the Agreement" apply.

If we do this, we will not have any responsibility to you for any resulting loss or damage you may suffer. If we have declined to process a Transaction, we will give you on request details of the reason(s) for the refusal as soon as is practicable unless the law prevents us doing so or it would undermine our reasonable security measures. We will also include details of how to correct any errors that led to our refusal, if appropriate. To request this information, please call our customer services centre on 0800 096 4496 (if abroad +44 1908 544059). If your Transaction has been declined, this helpline is available 24 hours a day seven days a week.

13. Statements

If there have been any Transactions or Charges on your accounts in any month, we will post to you both the Business Statement and Cardholder Statements, unless you have asked us to provide them or make them available to you in another way, such as via an app or online banking or another digital banking service we may provide in the future. Where appropriate, we'll also send you an email or other notification (for example, a text) to tell you we have done this, unless we've separately agreed not to. Once we've sent you a message, we'll assume you've received it. Messages we provide electronically may include an attachment in PDF or similar format. You should make sure your devices are set up to receive them. We may charge for duplicate copies.

The statements will include the following information:

- (1) a reference enabling you to identify the Transaction.
- (2) where appropriate, information we have received about the beneficiary of the payment.
- (3) the amount of the Transaction in the currency in which the relevant account was debited or in the currency used for the payment order.
- (4) the amount of any charges for the Transaction and, where applicable, a breakdown of them, and any interest payable by you.
- (5) where applicable, the exchange rate used for the Transaction and its amount after the currency conversion.
- (6) the debit value date or the date of receipt of the Transaction.

You must pay the full amount outstanding on each Business Statement by the payment date specified in it.

14. Repayments

Using a form we provide, you must nominate an account you hold with us or any other bank in the United Kingdom (acceptable to us) as the Payment Account at the time of entering into the Agreement.

We will take all Transactions and Charges from the Payment Account by direct debit on or after 14 (and no later than 60) calendar days from the Business Statement date. You must ensure all direct debits are paid to us on their first presentation.

If you don't make payments due to us under this Agreement on time, for example if your direct debit payment fails for any reason, you give us permission to take payments from the Payment Account or any other current accounts you have with us (as long as the account agreement allows this). This applies even if taking payments in this way makes the account or accounts in question overdrawn or further overdrawn. We'll take such payments without telling you beforehand.

15. Important information about repayments

Payments will only take effect when debited to the Payment Account. They may be applied against Transactions and Charges.

Payments reduce balances on the Business Account or the relevant Cardholder Account (or both) in the following order: annual card fee, late payment fee; Transaction fee; cash advance fee; ATM cash advance fee; old balances; new balances.

16. Cancelling transactions

Information about cancelling transactions is set out below.

Cancelling transactions	
What Transactions can you or the relevant Cardholder cancel?	- Transactions scheduled for a future date. - A series of recurring Transactions.
What you or the relevant Cardholder must do	- Tell us by the end of the Business Day before the day the Transaction is due to be made. - Tell the Supplier that you have asked us to cancel the Transaction, and if you also want to cancel your agreement with them you will need to do this directly with the Supplier.
What will happen	- We will not carry out a Transaction once you or the Cardholder has withdrawn authorisation. - Unless you or the Cardholder tell us otherwise, we will treat cancellation of recurring Transactions as cancelling all future Transactions in the series.

17. Refunds, responsibilities and chargebacks

You must check, and ensure any Cardholder checks, any statement you or they receive as soon as possible (preferably within 30 days), and tell us straight away if an entry seems wrong. If you don't, we may not be able to correct any mistakes. If we need to investigate a Transaction, you and the Cardholder must co-operate with us and the police if we need to involve them.

The tables below set out when we will give you a refund, and the circumstances in which you are responsible for losses caused by unauthorised transactions. Other than our responsibilities set out in this section, we have no further responsibility to you for unauthorised transactions.

The table below explains when you'll receive a refund

What went wrong?	You'll receive a refund if	What you'll get	You won't receive a refund if
You, or the relevant Cardholder or User (if applicable), paid more than you expected	- the exact amount of the payment was not specified; - the payment amount is more than you could have reasonably expected to pay; and - you request the refund within eight weeks from the date the amount was debited from the relevant account.	We'll refund you the amount of the payment (and any related interest and charges you have directly incurred). We may ask you to give us any information we reasonably require so we can ensure you satisfy the requirements for a refund before paying it. We'll either give you a refund or inform you why you are not entitled to one within 10 Business Days of the later of: - our receipt of your request for a refund; or - our receipt of any information we ask you to provide. If you are not happy with our decision, you can contact your relationship manager or complain to us.	you or the relevant Cardholder or User directly gave us authorisation for the Transaction and the payment amount was provided or made available to you, the Cardholder or User at least four weeks before the due date for payment.
A payment was made that you or the relevant Cardholder or User (if applicable) didn't authorise	a Transaction was not authorised by you or the relevant Cardholder if you notify us without undue delay after becoming aware of the fact, and in any event within 13 months of the date we debited the payment from the relevant account.	We'll refund the amount of the Transaction and, where applicable, restore the relevant account to the position it would have been in had the unauthorised transaction not taken place. We'll do this by the end of the next Business Day. You must give us any information we reasonably need to assess whether a refund is due. We may also investigate after giving a refund. If we discover you were not entitled to the refund, we will debit the refunded amount from the relevant account. We'll give you reasonable notice before we do.	- you don't notify us in time - we find the Transaction was authorised by you or a relevant Cardholder. If you are a Micro-enterprise or Charity You don't need to prove you did not authorise a card payment, but we'll take into consideration the circumstances at the time it was authorised. For everyone else You agree that Regulation 75 of the Payment Services Regulations does not apply to you. This means it's your responsibility to prove that you or the relevant Cardholder did not authorise a payment.

The table below explains when you'll be responsible for unauthorised transactions

In any other circumstances, you must immediately tell us if you think a Transaction involves fraud, unauthorised use or any other circumstances where a Supplier may be held liable under the applicable Payment Scheme rules. You can ask us to reject a transaction, and we'll try to charge back the Transaction to the Supplier under those rules. If we can, we'll credit the amount to the Business Account or relevant Cardholder Account as applicable. If we cannot reverse the transaction, you'll remain liable for it.

You must tell us of any dispute about any amount on the Business Statement or any other statement without undue delay. In any event, this must be within 13 months of the date we debited the disputed payment from the account.

- (2) your obligations under the Agreement will continue in full force;
- (3) you must take steps to ensure the Payment Device is recovered and destroyed (if it is a Card, you will need to cut it in two through the chip);
- (4) you remain liable to us for all Transactions including any new ones made before the Payment Device is destroyed;
- (5) if applicable, we may cancel the existing Embedded Payment Solution details and give you new ones; and
- (6) you must ensure that the Cardholder's Embedded Payment Solution details are no longer used with any Supplier.

22. Ending the Agreement

The Agreement will continue until terminated in line with this clause. If you have more than one type of Product, you or we may end one set of Product Conditions without affecting these General Conditions, which will continue in effect until all other Product Conditions have been ended. If you only have one Product and you or we end the Product Conditions in line with the Agreement, the General Conditions will end too. We will only use these termination rights in line with our legal obligations.

Who can end it	Reason for ending the Agreement or any Product Conditions	Notice needed
You	At any time for any reason	One month's notice to us in writing
Us	At any time for any reason	at least 90 days' notice to you in writing, as long as we also give you any other notice that the law says we must give you
	We reasonably suspect fraudulent activity in connection with the Agreement or the Services (or both)	None (unless required by law)
	We reasonably believe that you, a Cardholder or a User is using or has used or is likely to use the Services in connection with any purpose that is a serious crime	You must notify us immediately if you become aware that any of these circumstances have occurred or you believe they will occur
	You, a Cardholder or a User are or may be behaving improperly, and we are required to stop providing the Services to you to meet our legal requirements. This includes being abusive, harassing (including sexually harassing) or threatening to our staff, or including abusive, harassing (including sexual harassing) or threatening messages in payment instructions	
	We are required to do so to comply with legal, fiscal or regulatory changes	
	We find that any information you have given to us at the point of entering into the Agreement (whether in connection with the Agreement or not) is inaccurate in a significant way	
	We are required to terminate this Agreement in order to comply with regulations relating to money laundering or immigration	
	We reasonably believe that if we do not stop the Services or end the Agreement, we will breach a law or regulation or be exposed to action from a government, regulator or other authority or may break a regulatory requirement	
	Closure is required by a court order, a direction or decision of a regulator or any other legal or regulatory requirement. If this is the case, we may be required to terminate our entire relationship with you.	

If we end the Agreement, or any Product Conditions, for these reasons, we can demand repayment of the outstanding balance and close all or any Cardholder Accounts, Business Accounts and any other account you hold with us that is relevant to the Agreement.

23. Things you have to do when the Agreement ends

When the Agreement, or any part of it, ends the following things must happen for the part(s) ended:

- (1) if you have Cards, you must make sure all Cards are returned to you and destroyed (cut in two through the chip). You may be required to return the Cards to us;
- (2) you must make sure any use of a Payment Device is stopped;
- (3) your use of the Service must cease with immediate effect. We need not take any further action regarding any instructions received from you even if we received them before the termination date;
- (4) all outstanding amounts will become immediately due and payable;
- (5) your obligations under the Agreement will continue in force until you have paid us all outstanding amounts; and
- (6) you must keep your Payment Account open until all Transactions have been processed and you have paid us all outstanding amounts.

When the Agreement ends we have no further obligations to you.

If you have paid any charges in advance under the Agreement, like an annual fee, we'll refund any unused part of the charge.

24. Your Payment Account

If we do not hold your Payment Account, you authorise us to pass any instructions that may be necessary for the Services to be provided to you and relevant Cardholders to the third-party bank holding your Payment Account. You also confirm that the third-party bank is authorised to accept and act on our instructions.

25. General

We recommend you keep a copy of all the documents that make up the Agreement. If you would like another copy of any of the documents, just ask your relationship manager. You can also find these terms and conditions on our Website.

The Agreement is solely between you and us, with the exception of terms in the Agreement that include references to Lloyds Banking Group (which can be enforced by Lloyds Banking Group). No other person will have any rights to enforce any of its terms.

If we:

- do not insist or we delay insisting that you perform any of your obligations under the Agreement; or
- do not enforce or we delay enforcing our rights against you;

that won't mean we have waived our rights against you. You will still need to comply with those obligations. If we decide to waive a breach by you, we'll do so in writing, and that won't mean we automatically waive any later breach by you.

All warranties, conditions and other terms implied by law are excluded from the Agreement to the extent permitted by law.

26. Mistaken payment

If we are told that money has been paid into your Business Account by mistake, we can take from your account an amount up to the mistaken payment amount. We do not have to ask you to agree to this, but will let you know if it happens. We'll act reasonably and try to minimise any inconvenience to you. If we are unable to return funds to the sender, we can give them details about you and your Business Account so they can recover the money from you.

27. Paying more than you owe

When you make payments or transfer funds into your Business Account, you must not pay us more than you owe. If you have a credit balance on your Business Account at any time, we may apply it to recent or future Transactions. We may return any credit balance to the account from which the money has been sent or pay the funds into your Payment Account or another current account you have with us. We do not pay interest on any credit balances.

28. Our service promise

Whenever you deal with us, we aim to provide excellent customer service. If we do not achieve this, please tell us so we have the opportunity to put things right. You can write or speak to your relationship manager or customer services centre (or anyone in their teams). You can find details of what will happen next and how we will handle your complaint on our Website.

If you are dissatisfied with the outcome of a complaint you have made to us, you may be eligible to refer the matter to the Financial Ombudsman Service ("FOS"). To understand whether you are eligible to do so, please speak to the FOS directly or refer to its website at www.financial-ombudsman.org.uk. Details of how to contact the FOS can also be found on our Website.

29. Notices

You can contact us by post or by delivering notices by hand, in each case addressed to your relationship manager or Bank of Scotland Card Services PO Box 6061, Milton Keynes, MK7 8LE.

Unless the Agreement states that we'll contact you in a particular way in relation to a specific type of notice or we are required by law to contact you in a particular way, we can contact you by letter, telephone, email, text, statement, statement insert (in each case using the details you gave us on the Business Application or the Cardholder Application (if applicable) or updated details you have given us since then), through a broadcast message on an online service that we provide to you, or by posting a notice on our Website. We will always use a way that we reasonably think is likely to come to your attention and meets legal requirements.

If we are sending a copy of a notice to you, we'll only send one copy even if the Agreement is with two or more of you.

The Agreement is in English and communications and notices between us will be in English.

You must tell us if your contact details change (for example, your address, email address or mobile phone number) by giving us seven days' written notice. If you don't tell us, it won't be our fault if we can't contact you or if we use outdated contact details.

We'll use your contact details and appropriate secure procedures to let you know if we suspect fraud or a security threat, or if there has been a major operational or security incident that may affect you. This may include SMS, online notifications, post, or any other appropriate messaging service.

30. Intellectual property and data protection

You acknowledge that we or our licensors (or both) own all intellectual property rights (whether registered or unregistered) in the Services (but not information uploaded into the Services by you or your affiliates) including any copyright, database rights, trade secrets, trade names and trade marks. You can only use them to the extent necessary for accessing and using the Services. You have no right to grant a sub-licence to any third party.

You grant an irrevocable right to use all information you give, but solely for the purpose of supplying the Services. You must ensure that any person you authorise to access and use the Services permits us to use the information about them for the purpose of supplying the Services.

31. Assignment

Unless we agree in writing, you may not transfer any of your rights and obligations, or sub-contract any of your obligations, under the Agreement to another person.

We may transfer any of our rights and obligations under the Agreement, or sub-contract any of our obligations, to another person without your consent. You agree that you'll promptly execute all documents that we reasonably require to make a transfer effective.

32. Third party rights

Nothing in the Agreement confers or is intended to confer a benefit enforceable by a person who is not a party to it. Such a person has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

33. Force majeure

You and we won't be responsible if either of us (or our sub-contractors or agents) cannot perform any obligations under the Agreement, or if there is a delay in doing so, due to abnormal and unforeseeable circumstances beyond our control as long as the consequences were unavoidable despite all efforts to the contrary.

Examples Here are some examples of circumstances that may be beyond your or our control: industrial action, riots, invasions, terrorist attacks, threat of terrorist attacks, war, hostilities, rebellion, local or national emergency, civil commotion, fire, explosion, storm, flood, earthquake, accident, epidemic, natural disaster, acts or omissions of third parties, failure or fluctuation of a power supply or telecommunications networks, or failure of any of our equipment, software, data processing systems or transmission links.

We also won't be responsible if we cannot perform any of our obligations under the Agreement or we are delayed in doing so, because we must act in a certain way for legal or regulatory reasons.

We or a Lloyds Banking Group member may be subject to sanctions or embargoes imposed by the international community including the UK, EU, UN and the USA. We may refuse Transactions or refuse to make any payment if it would result, or in our reasonable opinion is likely to result, in a breach by us or a Lloyds Banking Group member or any of our or their employees of any sanction or embargo whether or not imposed in the UK. We are not liable for any loss, damage, cost or expense for any of the reasons listed in the 'examples' above. We may disclose to the relevant authorities such information regarding any Transaction or payment (or both) as may be required.

34. Severability

Each of the terms in the Agreement operates separately. If any court or relevant authority decides any of the terms is unlawful, the rest will remain in full force and effect. Any unlawful terms will apply with whatever modification is needed to give effect to your and our commercial intentions.

35. Governing law and jurisdiction

The Agreement and any non-contractual obligations that arise out of it are governed by the law of England and Wales. The courts of England and Wales have exclusive jurisdiction to decide any dispute arising out of or in connection with the Agreement, including as regards any non-contractual obligations.

However, if you are:

- a company or other incorporated body and your registered office is in Scotland;
- a sole trader and your business operates from Scotland;
- an unincorporated body and your central management and control is exercised from Scotland; or
- a charity based in Scotland,

then the Agreement and any non-contractual obligations that arise out of it are governed by the law of Scotland. The courts of Scotland have exclusive jurisdiction to decide any dispute arising out of or in connection with the Agreement, including as regards any non-contractual obligations.

36. Use of personal data

You give us your explicit consent (or have obtained the relevant individual's explicit consent) for us to access, process and keep any personal information you give us for the purposes of providing the Services to you. This won't affect any rights you or we have under data protection legislation. You can withdraw your consent by ending the Agreement.

Part B - Product Conditions

In these terms and conditions, we use headings to make them easier to read. They do not affect how the terms and conditions are interpreted.

Our Agreement with you

We will provide the Product that these Product Conditions (Part B) are specific to.

1. Additional obligations

1.1 You must ensure that:

- 1) the Programme Administrator provides any Payment Devices to relevant Cardholders on receipt together with a Website link to the Conditions of Use, and notifies Cardholders every time the Conditions of Use are updated;
- 2) all Programme Administrators, Cardholders and Users (if applicable) comply with the Conditions of Use at all times;
- 3) no Programme Administrator, Cardholder or User is on any list of asset-freeze targets published by the UN, the EU or the UK, or maintained by HM Treasury;
- 4) the Programme Administrator tells each Cardholder their Cardholder Limit;
- 5) any changes to the Programme Administrators are notified in writing to us by an authorised signatory;
- 6) all Cards are immediately signed and activated when received by Cardholders; and
- 7) a Cardholder with an Embedded Payment Solution only passes its details to Suppliers for use.

1.2 You must ensure that you and all Programme Administrators and Cardholders (and Users where applicable):

- 1) use any Payment Devices, security details and Embedded Payment Solution details (as applicable) in line with the Conditions of Use, any security procedures and instructions we provide, and keep them safe;
- 2) do not give or disclose details relating to any Cardholder Account, Business Account, Payment Device, security details or Embedded Payment Solution (as applicable) to anyone else or allow anyone else to use them;
- 3) store all information relating to any Cardholder Account, Business Account, Payment Device, security details or Embedded Payment Solution (as applicable) safely and dispose of any information securely and permanently;
- 4) do not choose a PIN or any security details that are easy for someone else to guess;
- 5) protect any PIN or security details by (a) memorising them and destroying the written notification containing them as soon as possible; and (b) not writing them down in a recognisable way or keeping them with a Payment Device or other financial documents; and
- 6) inform us as soon as possible if a Business Statement, Cardholder Statement or any other financial information expected from us is not received.

2. Using a Payment Device

All Non-Currency Transactions will be converted to the Currency and debited to the relevant Cardholder Account at the Payment Scheme Exchange Rate. Our website says more about the Payment Scheme Exchange Rate and how to compare it with other exchange rates. Depending on which Payment Scheme applies, the Transaction may be converted when it is made or added to the Cardholder Account (or Business Account). You can ask us at what point the Transaction will be converted. Exchange rates may change, so the exchange rate we use to convert the Transaction may differ from the exchange rate on the Transaction date. The exchange rate we use will appear on your Business Statement and relevant Cardholder Statement.

The Non-Currency Transaction fee set out in the Product Charges is added to the converted Currency amount. The Non-Currency Transaction fee is a fee for currency conversion. This fee and the converted Currency amount will be shown on the Business Statement and relevant Cardholder Statement. You agree to exclude provisions of law that can be disappplied for business customers. This means we will not send you certain information, such as electronic messages after each Non-Currency Transaction, which might be sent to personal customers.

Any cash advances will be subject to a cash advance fee. If non-Currency cash is withdrawn or purchased, it will also be subject to the Non-Currency Transaction fee.

3. Security

Each Cardholder will be given their own PIN to use with their Card. The Cardholder can change their PIN through our ATMs and should keep their PIN secret to protect it from unauthorised use.

We may issue Cardholders with additional security details or require them to comply with additional security measures for the Authorisation of payments made via Suppliers' websites. Where we do this, we will send details to the Programme Administrator for distribution or directly to Cardholders, together with any additional terms and conditions that apply.

You must ensure that each Cardholder uses any additional security details or complies with any additional security measures we issue or require under this clause in line with any additional terms and conditions that apply.

4. Authorisation of a Transaction

A Transaction (including a single Transaction, a series of recurring Transactions or a future Transaction) will be regarded as authorised by you and a Cardholder if a Cardholder or User (as applicable):

- (1) uses a Card or Payment Device together with any security details and where appropriate uses any "proceed" or similar key;
- (2) waves or swipes a Card or Payment Device over a contactless card reader;
- (3) signs a sales voucher;
- (4) uses an Embedded Payment Solution to make a purchase through a Supplier; or
- (5) follows any other method we tell you about.

A Supplier may contact us or an agent acting for us to confirm Authorisation regarding a single Transaction, a series of recurring Transactions or pre-authorising a future Transaction that a Cardholder wants to make. Therefore there may be a delay before the Supplier processes a Transaction.

When we authorise a Transaction, it will immediately reduce the available funds in the relevant Cardholder Limit and the Scheme Limit.

You, a Cardholder, or a User (if applicable) will usually find out we have refused to authorise a Transaction if a Supplier asks for payment by another method or the ATM will not dispense cash. However, a Supplier may be unable to immediately tell you we have refused a Transaction. If any Transaction is declined, you may contact us. If we have declined the Transaction, we will, where reasonably possible, tell you why. We are not responsible for any loss if a Supplier refuses to accept a Card or Payment Device or we refuse to authorise a Transaction, or delay doing so.

If you authorise a future Transaction and its amount is not known, we may reserve funds in the relevant Cardholder Account and the Business Account if you or the Cardholder consent to an exact amount of funds being reserved. We will release reserved funds when we know the Transaction amount.

5. Embedded Payment Solution

If we can no longer provide Embedded Payment Solution for legal, regulatory or technical reasons, we will withdraw it. We may not be able to give you notice of withdrawal immediately but will otherwise give you reasonable notice. All other parts of your Product will remain the same. The Agreement will continue in effect until it is ended in line with the General Conditions.
