Product Features:

The Amortising Fixed Rate Term Deposit (AFTD) is a deposit product with the key features detailed below.

Key Features:

- Amortising Fixed Rate Term Deposits are available in all major currencies including Sterling (GBP), Euros (EUR), and US Dollars (USD). Other currencies may be available upon request.
- The Interest Rate, Principal, Value Date and Principal repayment schedule to final Maturity Date will be agreed with you, at the time when you agree to place the deposit with Us.
- The minimum duration of an AFTD is 1 year, up to a maximum of 5 years.²
- Interest is calculated by reference to the Interest Rate which is fixed until the Maturity Date using the Day Basis.
- We will calculate the interest and pay interest to your nominated account on an agreed amortising basis. The remaining Principal as per repayment schedule including any remaining interest will be paid to your nominated account on the final Maturity Date. Any change to your nominated account must be notified to Us, prior to the maturity of the AFTD.

Benefits:

- The Interest Rate you receive on the AFTD is fixed until the Maturity Date.
- A single interest rate that reflects the repayment schedule is applied to the deposit.
- Depositors can match their expenditure to the repayment schedule and receive one composite rate.
- Trade parameters including principal, interest rate, and duration can be tailored to suit your requirements, but are fixed once agreed and cannot be altered.

Risks:

- You may not withdraw all or part of the Principal prior to the Maturity Date and you must hold the AFTD until the Maturity Date. This means that the Principal is committed for the duration of the AFTD and your financial position must allow you to be able to cover any cash flow requirements you may have during the fixed term.
- No additional funds can be deposited once the parameters of the AFTD have been agreed.

¹Larger or smaller amounts (and in other currencies) may be available on request /at Our discretion

²Unless otherwise agreed

Placement/ Maturity of Amortising Fixed Rate Term Deposit:

- In order to place an AFTD, instructions must be given by telephone to your Bank of Scotland representative²
- In order to make a deposit, you will need to open or have a nominated account. This nominated account will be used to transfer the deposit amount agreed and used to transfer your deposits upon maturity. Your nominated account does not need to be held with Bank of Scotland.
- Further funds may not be deposited into an existing AFTD, but it is possible to place more than one AFTD.
- Written confirmation will be sent to you in respect of each AFTD that you place with Us. The confirmation will confirm the Interest Rate, Principal, the Maturity Date and the Value Date. No statements will be sent.
- The AFTD will operate from the agreed Value Date. You must ensure that the agreed amount of funds to be deposited into your AFTD is received by Us on the agreed Value Date. A delay in the receipt of funds may result in a loss of interest on your AFTD.
- In order to select the Maturity option, instructions must be provided by telephone to your Bank of Scotland representative.
- On the Maturity Date, Bank of Scotland will transfer the Principal and any remaining interest on the AFTD to your nominated account as agreed at the time of placing your deposit. Should you wish to amend your nominated account or amend any instructions under your AFTD, you must notify Bank of Scotland prior to the Maturity Date. Any instructions received on or after the Maturity Date will not have any effect.
