Frequently Asked Questions

What must I do first?

You must sign any plastic card. You also need to activate plastic cards, BTS details and EPS in the way we tell you when we give you them.

What is my card or spending limit?

Your Programme Administrator will tell you this and also whether or not there are restrictions on what you can do with the card, BTS details or when using EPS.

Can I get cash?

Your Programme Administrator can tell you this.

Can I change my PIN?

You can change your PIN at any of our ATMs. Try not to choose a PIN that is easy for someone else to guess.

How must I use my card, BTS details or EPS?

You must follow the instructions provided by the supplier you are buying from. You can normally make payments by:

- Chip and Pin
- Contactless
- signing a sale voucher
- adding BTS details to a travel booking site
- embedding and using EPS with a supplier.

What must I do if my payment device is lost or stolen or is being misused, or if someone finds out any of my security details, including for online solutions?

Tell us by calling us on 0800 096 4496 (24 hours if it's about a lost or stolen payment device and Monday to Friday 8am–8pm, Saturday 9am–4pm if it's about fraud). If abroad, call +44 1908 544059.

Why would my transaction be declined?

It might be declined because (a) you have already reached your card or spending limit; (b) you are restricted by your business from making the transaction; (c) to protect your business from fraud or security concerns; (d) a regulatory requirement means we have to decline the transaction; or (e) we are owed money by your business.

It might also be declined because your payment device has been suspended or cancelled and this could be for the above reasons too. As soon as we can, we'll tell the business that we are going to stop or have stopped the use of a payment device and why, unless the law says we can't or it would undermine our security measures. We won't stop it for longer than we need to. We'll let it be used again or provide a new one as soon as possible.

What can I do if my transaction is declined?
