You will inform Us in writing of any changes that We need to make.
- 4.3 We agree to settle payments associated with Bacstel-IP Transmissions submitted on Your behalf by a bureau where that bureau uses a trust service of another member of the Bacs System or a trust service provided by Us where the account specified in any such Bacstel-IP Transmission is maintained by You or a company related to You with the Bank.

Beyond this We will have no further liability to You.

Warning: If any Contact (or You) has acted fraudulently in connection with the use of a Contact ID or Password or has not taken all reasonable care in keeping a Contact ID or Password safe and in accordance with security requirements, You will be responsible for all losses arising out of or in connection with unauthorised transactions.

- 4.5.3 When We are assessing whether a payment transaction was authorised by You We cannot necessarily treat the use of the Contact ID or Password as sufficient evidence of such authorisation, although this is one of the factors that We will take into consideration.

- take all reasonable care to keep the Contact ID or Password safe; or
 - use the Contact ID or Password in accordance with our security requirements.
- 4.7 If a Transmission does not contain the correct information in relation to the making of payments, We will not be liable for any loss, damage or expense whatsoever incurred as a consequence thereof but if We are promptly notified of any incorrect instruction We will make reasonable efforts to recover the funds and shall be entitled to make a charge for such activity. For procedures in relation to Transmissions sent in error, please refer to the relevant section of the Bacstel-IP Service User Guide.

If there is an entry that seems to be wrong You should tell Us as soon as possible and at the latest within 13 months of when the payment left or should have left the Account (as applicable), so that it can be sorted out because otherwise You may not be entitled to a refund. Any delay in notification may also make correcting any error difficult. If We need to investigate a transaction You should co-operate with Us and the police, if we need to involve them. In addition to checking statements. You should notify Us as soon as possible by calling the Bacstel-IP Helpdesk on 0345 982 5325 if You become aware of a transaction which has not been authorised by any Contact or You.
- 4.12 In order to comply with its requirements under the Bacs scheme rules, the Bank may refuse to process a Transmission and/or may recall a Transmission which has been submitted on Your behalf. We will contact you if such a circumstance arises.
