# Section A – Our Agreement with you

Our agreement with you is made up of:

- ▶ these General Conditions, which are the main terms for your **Islamic Business Account(s)** and for our overall relationship with you for Islamic business banking services;
- ▶ the **Authority**; and
- ▶ the 'additional conditions', which are the charges and other terms that apply to a specific product or service. We give these to you when speaking to you or in documents such as our application forms, letters or leaflets (such as our **Charges Brochures**), or on our website.

Additional conditions include things like minimum and maximum balances you have to keep on an Account and how to qualify for a particular Account, service, rate or benefit.

If an additional condition conflicts with a general condition, the additional condition applies.

For example: the general conditions allow you to make payments to Accounts with other banks. If an additional condition for an Account says you can't, that condition will apply.

This agreement replaces any previous terms and conditions or other agreements that may have applied to your **Islamic Business Account**. These terms and conditions do not apply to any other current or deposit **Accounts** or to any other product or service offered to you by us, including services by debit card or by electronic means that allow access to your **Islamic Business Account**. To take advantage of any of these additional **Accounts**, products or services, you will need to sign up to separate terms and conditions for each, which may not be **Shariah Committee** approved.

You give us your explicit consent (or have obtained the explicit consent of the relevant individual) for us to access, process and keep any personal information that you provide to us for the purposes of providing payment services to you. This won't affect any rights any of us have under data protection legislation. You can withdraw your consent by ending your agreement with us.

We agree to be bound by the rules and guidance of our **Shariah Committee** in all matters of interpretation and application of Shariah to the **Islamic Business Account**. All money deposited in the **Islamic Business Account** will be held in conformity with the rules of Shariah as decided by our **Shariah Committee**. The **Islamic Business Account** may be used by the Business as an **Account** for day-to-day banking transactions. We will not pay you any interest on cleared credit balances in your **Islamic Business Account**.

If you are not a body corporate, and your business consists of two or more persons, this Agreement applies to each of you individually as well as together.

# Section B – Your Authority

## 1. Who can give us instructions?

- 1.1 Any person entitled by law to bind you (for example an instruction signed by all partners in a partnership), or a person authorised as a signatory in the **Authority** can authorise transactions, operate **Accounts** and authorise business with us.
- 1.2 If you want someone else to have authority to do these things, he or she should be named in the **Authority** and must give us personal and signature details.
- 1.3 Unless you state otherwise in the **Authority**, each signatory named in the **Authority** has individual authority without any restriction to operate all the **Accounts** you hold with us. An authorised signatory can, for example, withdraw money from the **Account** (which may be without the knowledge of the other signatories). We can also give these signatories information about your **Account**.
- 1.4 Unless you state otherwise in the **Authority**, each person named in it as signatory to the **Account(s)** has individual authority without any restriction to operate all your **Accounts**. Therefore each of these people is able, for example, to withdraw money from any of your **Accounts**, which may be without the other signatories knowing. We need not make enquiries about the purpose of any transactions or the signatory's authority to conduct them.
- 1.5 We may refuse to accept instructions from, and may remove from your **Authority**, an individual if we reasonably believe a regulatory requirement means we have to.

## 2. Changes to the Authority

- 2.1 You may cancel or amend your **Authority** by giving us at least two **Business Days'** notice. You must do this by:
  - ▶ writing to us at your branch or wherever your business management team is based; or
  - ▶ completing and signing the bank form that we provide for that purpose and sending it to us at your branch or wherever your business management team is based.
- 2.2 Your notice must be authorised by any two authorised signatories (or by one authorised signatory if only one signatory is named in the **Authority**), or by giving us the documents indicated below.

If you are a...	You can give us...
Company	An amending resolution passed by the board of directors and certified by a director or the secretary
Partnership	Written notice signed by two partners
LLP	An amending resolution passed by the Members and certified by a Member
Credit Union or unincorporated organisation	An amending resolution certified by the Chairperson or Secretary of the Credit Union or organisation
Sole trader	Written notice signed by you

- 2.3 We may (as long as we act reasonably) refuse to add an individual to your **Authority**.

# Section C – Checks, Account security and keeping you informed

We need to make sure that only you or people you have authorised can access your **Accounts**. This section explains what you and we both need to do to protect your information and **Accounts**. It also covers the information we will give you about your **Account**.

## 3. How do we know we are dealing with you?

3.1 We will assume we are dealing with you or someone authorised to manage your **Accounts** – and we will provide information about your **Accounts** or act on instructions (without further confirmation) in line with your **Authority** – if we have checked who is contacting us in one of the following ways or any other way we may introduce:

How you instruct us	Checks we may use			
	Evidence of identity – such as a passport	Signature of an authorised signatory	Use of a Device	Use of an authorised signatory's Security Details
In person in a branch	Yes	Yes	No	Yes
By cheque or in writing	No	Yes	No	No
Telephone, Internet or Mobile Banking or using a Device	No	No	Yes	Yes

3.2 You are responsible to us for all debts or liabilities on your **Accounts** as long as we acted in line with your **Authority**, even if you later change the **Authority** or you or we end this agreement. If you are not an organisation with separate legal personality, each authorised signatory and – to the extent allowed by your rules and constitution – your **Members** will be liable for all (not just a share) of the debts or liabilities on your **Account(s)**.

① If an authorised signatory is authorised to carry out 'any transaction', he or she can, for example, withdraw money from any of your **Accounts**. This may be without the other signatories knowing.

3.3 We will also give information to or act on instructions from any person who satisfies our standard customer-verification procedure on any of your **Accounts**. This may rely on knowledge of your bank statements and banking information, so it is important that you keep this information in a secure place. Do not disclose them to anyone you do not want to have access to your **Account**.

## 4. Keeping your Account safe

4.1 You and anyone you have authorised to access your **Account** must take reasonable steps to keep your information secure. These include not giving out **Account** or **Security Details**, such as a PIN, to anyone. If you tell us your cheque book or debit or Cashpoint® card has been lost or stolen or that someone else knows your PIN or other security information, we will take action to try to stop these being used. More detailed procedures for specific services may be set out in greater detail in the terms and conditions and brochures for those services.

① Reasonable steps to keep your information secure include:

- ▶ following instructions we give you, which we reasonably consider are needed to protect your **Accounts** from unauthorised access;
- ▶ not phoning us if your conversation may be intercepted or overheard;
- ▶ being careful not to share your online **Security Details** with anyone;
- ▶ not writing down your **Security Details**.

We also give guidance on security measures on our website and in your **Account** brochures.

4.2 You should also take reasonable care of your **Account**. In particular, you should check bank statements, invoices, confirmations and communications within a reasonable time after you receive them and tell us as soon as possible if you think there is a mistake or discrepancy. Any delay in telling us may make it more difficult to correct mistakes.

4.3 If we think you have not authorised an instruction, or if the instruction is not legible and clear, we may refuse to act on it until an authorised signatory confirms it. We may require confirmation in writing.

4.4 Termination of or alteration to the **Authority** does not release you (or if applicable any authorised signatory) from any previous liability or **Indemnity** for anything we do in line with instructions previously received from an authorised signatory under the **Authority** or in line with this agreement.

4.5 We do not need to check whether transactions made under the **Authority** are for purposes permitted by your governing rules or, if you are a limited liability partnership, permitted by any **Members'** agreement or authorised under Regulation 7(6) of the Limited Liability Partnership Regulations 2001. We can act on any instructions made in line with the **Authority** or authorised by resolution even if we are aware that the purposes may not be permitted.

4.6 If a petition is presented to wind up your business, we have no obligation to pay any sums from the **Account** until the petition is dismissed.

## Section D – Special terms for different types of business

### 5. Special terms for partnerships, LLPs and unincorporated organisations

5.1 If you are a partnership or an unincorporated organisation with more than one **Member**, the following points apply:

- ▶ The **Authority** may allow instructions to be signed in the name of a partner or **Member**, the partnership or organisation or an authorised signatory.
- ▶ Whether or not they have signed the **Authority**, each partner or **Member** is jointly and individually liable for all liabilities of the partnership or organisation to us together with interest, fees and charges. This means each partner or **Member** is separately responsible to us for all debts and liabilities, not just a share of them. We may therefore take action against all or any of the partners or **Members**. A **Member's** liability will normally be determined by reference to the organisation's constitution, and may be limited to the extent of their subscription. Please refer to our separate leaflet on joint and several liability for more details.
- ▶ If there is a dispute between the partners, **Members** or authorised signatories about your **Accounts**, we may require all of them to authorise transactions until all partners, **Members** or authorised signatories agree how the **Accounts** are to be run. If this happens, we will not make any payment out of the **Accounts** unless it is authorised by all partners, **Members** or authorised signatories. We will also suspend all facilities requiring authorisation from only one partner, **Member** or authorised signatory – for example cards, internet or electronic banking – until the dispute is resolved. Payments to you will still be paid into the **Accounts** in the usual way.
- ▶ If any partner or **Member** dies or ceases to be a partner of the partnership or organisation, we may treat any continuing partners or **Members** as having full power to carry on the partnership or organisation's business and to deal with its assets as if there had been no change. This applies unless we receive written notice to the contrary from any of the continuing partners or **Members**, or from the executors, legal personal representatives or trustees of any deceased partner or **Member**.
- ▶ If any authorised signatory dies or ceases to be an authorised signatory, we may treat any continuing authorised signatory as having full power to carry on your business and to deal with your assets as if there had been no change. This applies unless we receive written notice to the contrary from any of the continuing authorised signatories, or from the executors, legal personal representatives or trustees of any deceased authorised signatory.

- ▶ If we are owed money on the partnership or organisation's **Accounts** or on outstanding loans, then:
  - i. when a partner or **Member** dies, the deceased partner's or **Member's** estate remains responsible for paying the debt and we may require payment from the deceased partner's or **Member's** assets;
  - ii. when a partner or **Member** leaves the partnership or organisation, each partner or **Member** (including the one who has left) remains separately responsible to us to repay all the debts;
  - iii. the partners or **Members** must notify us immediately (in the form we require) of any changes in the partnership or organisation, and must ensure that any incoming partners or **Members** sign a confirmation of the existing authorities to us.

5.2 The **Authority** will not be affected by:

- i. any change in the name of the partnership or organisation; or
- ii. any change in the partners, **Members** or authorised signatories of the partnership as a result of death, bankruptcy, retirement, any new partner(s) or **Member(s)** joining or otherwise.

5.3 If you are a limited liability partnership, any two **Members** may attest the sealing by the partnership (if it has a seal) of any deed or may sign any other document expressed (in any form of words) to be executed as a deed by the partnership. When attested or signed and dated, the document is treated as a deed binding the partnership and as having been validly executed and delivered.

### 6. Special terms for companies

6.1 If you are a limited company, and there is a dispute between the directors about the company's **Accounts** with us, we may require all directors to authorise transactions until all directors agree how the **Accounts** are to be run. If this happens, we will not make any payment out of the **Accounts** unless authorised by all directors. We will suspend all facilities requiring authorisation from only one director or authorised signatory – for example cards, internet or electronic banking – until the dispute is resolved. Payments to you will still be paid into the **Accounts** in the usual way.

# Section E – How we deal with each other

It is important that you give us the right information at the right time. In return we promise to use reasonable care when we provide services to you.

## 7. Information we need you to give us

7.1 You must promptly give us information about your business that we reasonably request or that we need to operate your **Accounts**. You must also tell us promptly about any changes to your business or contact details.

---

① For example, you must give us certified copies of resolutions you pass to change your Authority, and details of any changes to your directors, partners, Members or other officers. If relevant, you must also give us certified copies of your incorporation documents if we ask for them.

---

① A certified copy is a copy of a document that has been certified as being a true, complete and up-to-date copy of the original document by a person who holds a certain position of responsibility, e.g. a solicitor, a minister of religion or a bank official.

---

## 8. Our Provision of Services

8.1 We will use reasonable care and skill in providing services and managing your day-to-day banking needs. We ask you to remember that:

- ▶ our relationship services are for your general guidance and information only and they are based on information that we know from operating your **Accounts** or that you have given us;
- ▶ sometimes you should take specialist advice rather than solely relying on our services;
- ▶ we are not responsible for how you interpret information we provide or how you implement any action you choose to take.

8.2 In certain circumstances we may refuse to open an **Account** or to provide you with additional facilities or services.

## 9. Giving us instructions

9.1 You can give us instructions in any way we tell you from time to time, including electronic communications and telephone. We will act on instructions given in line with the **Authority**, as long as they are clear and legible and our security procedures have been followed so that we know the instruction comes from you.

9.2 We may refuse to accept an instruction if we do not believe it was authorised by you. We will make reasonable efforts to check whether it was authorised (which may include asking you to confirm the instruction in writing) before we do. If we refuse an instruction, we may also take steps to reverse any action already taken on it.

9.3 We may require you to sign a separate agreement and mandate before you can use some types of electronic communication to send us instructions and to access some kinds of services and **Accounts**. If there is any conflict, the terms of that agreement or mandate will override the terms of the **Authority**.

9.4 We can communicate with you by any reasonable means, including any form of electronic communication by which you can give us instructions.

## 10. Third Party Providers

10.1 You (or one of your authorised users) can instruct a **Third Party Provider** to access information on your **Account(s)** or make payments from your **Account(s)** online as long as it is open and transparent about its identity and acts in accordance with the relevant regulatory requirements. We will treat any instruction from a **Third Party Provider** as if it were from you or the relevant user.

10.2 How you/an authorised user can use a **Third Party Provider** will depend on the type of online access you or they have on your **Account**. You won't be able to use a **Third Party Provider** to do anything you cannot currently do in relation to your **Account**. For example, if you have View Only Access, you won't be able to use a **Third Party Provider** to make payments but you could use a **Third Party Provider** to access information on your **Account**.

10.3 If you do not want a user to have access to **Third Party Providers**, you should ask us to remove that user's access to internet banking.

10.4 We may refuse to allow a **Third Party Provider** to access your **Account** if we are concerned about unauthorised or fraudulent access by that **Third Party Provider**. Before we do this, we will tell you and explain our reasons for doing so, unless it is not reasonably practicable, in which case we will tell you immediately afterwards. In either case, we will tell you in the way we consider most appropriate in the circumstances. We won't tell you if doing so will undermine our reasonable security measures or otherwise be unlawful.

10.5 We may make available to a **Third Party Provider** a specific means of accessing your **Account**. If we do, and it tries to access your **Account** by a different way, we may refuse to allow that access.

10.6 If you (or an authorised user) provide consent to a **Third Party Provider** to access your **Account** data so they can provide **Account** information services or initiate transactions on your behalf, you consent to us sharing your information (which may include personal data relating to authorised users) with the **Third Party Provider** as is reasonably required for them to provide their services to you.

10.7 If you think a payment may have been made incorrectly or is unauthorised, you must tell us as soon as possible even where you use a **Third Party Provider**.

## Section F – Overdrafts and Charges

### 11. Borrowing from us

- 11.1 Borrowing is not permitted on the **Islamic Business Account**. So you will not be able to have a planned overdraft (where the balance of your **Account** falls below £0) on your **Islamic Business Account**.
- 11.2 You should only issue instructions to us to withdraw funds from your **Account** if there are sufficient funds available at the time you do so. However, if at any time your instructions would result in the **Account** becoming overdrawn, we may at our sole discretion allow an overdraft to be created and we reserve the right to charge you an unauthorised borrowing fee each time your **Islamic Business Account** goes overdrawn. Any unauthorised borrowing will also be subject to additional charges. However, we will not charge debit interest. You can obtain details from us.
- 11.3 We may at any time, without giving you notice, demand immediate repayment of your overdraft. We will write to you if we require its repayment.
- 11.4 We will not allow any overdraft, however created, to be secured.
- 11.5 Nothing in this Agreement restricts our right to refuse to allow any overdraft or other borrowing or to increase any overdraft or other borrowing.
- 11.6 If we discover we have credited a payment to your **Account** by mistake, or if a payment has been recalled by a bank that has made it, then we may immediately debit your **Account** with the amount of that payment, even if this results in your **Account** going into an **Unplanned Overdraft**. If we are unable to return the funds to the payer, we can give information about you and your **Account** to the payer's bank so that they can recover the money. You must pay any charges that may result from use of an **Unplanned Overdraft** in these circumstances.

### 12. Fees and Charges

- 12.1 Our **Charges Brochures** explain how, when and what we charge for the services we provide.
- 12.2 Unauthorised borrowing (when your balance is below £0) will incur charges. Please refer to the **Charges Brochure** for details of the Charges. You can obtain details from us.
- 12.3 If we receive a payment for you, we may deduct our reasonable charges from the payment amount before applying it to your **Account**. We will not deduct any other charges from that money before paying it into your **Account**. Your regular bank statements or charges invoices, or any other way we agree to notify you, will tell you how much money we received and our charges for receiving it.
- 12.4 Before we deduct charges for maintaining and running your **Accounts** in a charging cycle, we will give you at least 14 days' notice of how much we will deduct. Please refer to the **Charges Brochure** for details of charging cycles.

## Section G – Making and Receiving payments

### 13. Payment transactions to and from your Account, other than cheques

#### Making payments

- 13.1 For us to make a payment for you within the UK, we normally need the sort code and **Account** number and any other details we ask for. For some payments we may ask for different details.
- 13.2 To make an international payment, we will also need the recipient's name and address and the recipient bank's name and address and identifier (eg IBAN number or BIC number). We may also need the recipient bank's SWIFT address or national clearing code.
- 13.3 You must check that the details are correct before asking us to make a payment.
- 13.4 Before we make a payment we will check we are dealing with you as set out in Section B and in line with the terms and conditions governing the service or **Payment Instrument** you use to give us the instruction, if relevant. We do not accept instructions by fax or email.
- 13.5 If a UK payment scheme service such as the **Current Account Switching Service** tells us that the recipient of one of your standing orders and/or bill payments has moved their current **Account** to another bank participating in the **Current Account Switching Service**, we will update the recipient's new sort code and **Account** number without further notice to you to ensure that your payment reaches the correct **Account** within applicable timescales.
- 13.6 We must receive a payment instruction before the **Cut-off Time** on a **Business Day**. If we receive it after the **Cut-off Time** or on a non-**Business Day**, we will treat it as received on the next **Business Day**. If you ask us to make a payment on a future date, we will treat the instruction as received on that date.
- 13.7 We will make sure the amount of the payment reaches the payee's bank within the timescales below, from the **Business Day** we receive the instruction:

Currency	Destination	How long will the payment take from receipt of the payment instruction?
Sterling	A bank in the UK	The end of the next Business Day but Paper Payment Orders will take two Business Days.
Euro	A bank in the EEA (including UK)	The end of the next Business Day but Paper Payment Orders will take two Business Days.
Sterling	Another EEA country	The end of the fourth Business Day.
Any other currency	A bank in the EEA (including UK)	The end of the fourth Business Day.
All currencies	A non-EEA country	We will tell you when we make the payment.

- 13.8 For payments within the **EEA**, the payee's bank must pay the funds into the payee's **Account** on the day it receives the payment from us.
- 13.9 After we receive your payment instruction, you can cancel it by telling us in writing at any time up to the end of the **Business Day** before we are to make the payment or – in the case of a direct debit – we are due to debit your **Account**. If you want to cancel a payment after this time, you should contact us to ask if we can help (if we can help, we may charge you a fee for doing so and will tell you what this is before we take any action). If you ask us to cancel a direct debit instruction, you should also tell the person taking the payment so they do not try to take further payments. If you cancel a direct debit by telling the person who takes the payment, you must always tell us as well.
- 13.10 If we cannot make a Standing Order or future-dated payment from your **Account** because you do not have enough **Available Funds** on the **Business Day** it is to be made, we will try to make the payment again later on that **Business Day** and on the next **Business Day**. If we have been unable to make the payment after these attempts, we will charge you an unpaid item fee. We will cancel a Standing Order or future-dated payment if we cannot make four consecutive payments.

#### Receiving electronic payments and cash deposits

- 13.11 If we receive an electronic payment for you in sterling or euro:
- ▶ on a **Business Day**, we apply the money to your **Account** and make it available for you when we receive it;
  - ▶ on a non-**Business Day**, we apply the money to your **Account** and make it available for you on the next **Business Day**.
- 13.12 If sterling cash is paid into your **Account** at a branch counter on a non-**Business Day**, it will show in the **Account** and you can use it on the day you pay it in. If sterling cash is paid in through deposit points or another deferred checking service, we receive the cash when we take the money from the machine and/or envelope. In some cases this might not be until the next **Business Day**. If you use these types of service we will tell you when you can expect us to receive the money. If you pay in cash through the Post Office, the cash will show in your **Account**, will be available for you to use and will affect any interest we pay or daily overdraft fee we charge from the day we receive it from the Post Office. Usually this will be the next **Business Day**. If you pay in cash in another currency, you should allow an additional **Business Day** before it will be available.
- 13.13 There may be limits to the amount of cash you can deposit depending on which service or deposit method you choose. We will let you know if a limit applies when you make a deposit.

#### Making and receiving payments in currencies other than sterling or euro

- 13.14 Your **Account** is in sterling (GBP). Payments will be shown on your **Account** in sterling and made in sterling unless otherwise agreed.
- 13.15 If you ask us to make, or if we receive, a payment in another currency we will convert it using our current standard exchange rate unless we agree a different rate with you first. We may change our standard exchange rates at any time and without notice to you. Such changes to an exchange rate apply immediately. You can normally get details of our current exchange rates and our charges for international payments by phoning the number given in the payment transaction brochure. We will tell you if you should phone a different number.
- 13.16 For payments received in currencies other than sterling, we make the money available to you after converting the payment into sterling. Where the funds are received in an **EEA** currency before the end of a **Business Day**, the money will be available to you on that day. Otherwise, the funds will be available to you on the next **Business Day**. Payments received in non-**EEA** currencies may take longer to be available. How long this takes depends on when we receive the payment and the foreign exchange market for that currency. We give more information in our payments brochures.
- 13.17 In certain circumstances, we may refuse to accept a payment into the **Account**, for example if a regulatory requirement means we must reject it.
- 13.18 For international payments in any currency to a bank **Account** in the **EEA** or in euro or another **EEA** currency to a bank **Account** in Switzerland, Monaco or San Marino, you will pay our charges and the recipient will pay their bank's charges.

For any other international payments made through:

- ▶ Internet banking, you will pay only our charges and the recipient will pay their bank's charges and those of any agent bank;
- ▶ One of our branches or telephone banking you may opt: a) to share charges in the same way as non-**EEA** payments through internet banking or b) to pay all charges, where you also agree to pay the charges of any agent bank. If you choose to pay all charges, we will charge our fee and the correspondent bank fee and you will not be charged any agent's fees (the recipient bank may still charge its customer a fee). The amount of the correspondent bank fee depends on the location of the recipient bank.

We will not always be able to tell you in advance what the recipient's bank's agents will charge<sup>†</sup>. If you cancel an international draft, we will make refund conversions using our standard exchange rate for the transaction on the day we receive the money.

<sup>†</sup>This fee will not apply to payments in sterling sent to a bank **Account** within the EU from our Basic **Account** or received from a bank **Account** within the EU to our Basic **Account**.

## 14. Cheques

14.1 We will pay cheques that reasonably appear to us to have been issued by you. You must tell us in writing (and give us specimens of the signatures) if you wish to issue cheques signed with the facsimile or other printed signature of an authorised signatory – for example by pre-printing or lasering. As we pay such cheques without further confirmation, you must ensure that cheques with facsimile or other printed signatures are kept secure and are not available to anyone you have not authorised to use them.

14.2 Banking of cheques for payment is subject to the rules, and clearing processes, of any cheque clearing systems we use.

14.3 We do not have to pay any cheque that is presented more than six months after the date on the cheque.

**Sterling cheques (paid in at the Bank of Scotland or any other bank in the UK, Isle of Man, Gibraltar or Channel Islands and most Post Offices)**

14.4 Payments show in your **Account** on the **Business Day** we receive the cheque – if you pay it into a Cashpoint, this will be the next **Business Day** after you pay it in. The table below explains what happens while the cheque is being 'cleared' (collected from the other bank). We use one of two clearing processes:

- ▶ The **6 Business Days** cheque clearing cycle ('2-4-6' process)
- ▶ The Next **Business Day** cheque clearing cycle ('Cheque Imaging' process)

14.5 Where you pay in your cheque in branch, we will normally use the 2-4-6 process but will tell you if we use the Cheque Imaging process instead.

14.6 If you need to be sure a cheque has been paid, you can ask for 'special presentation' when you pay in the cheque. There is a charge for this service.

Cheque Clearing Process	When will the payment affect any interest we pay or charge?	When will the payment be available to use?	When can the cheque be returned unpaid?
6 Business Days Clearing Cycle ('2-4-6 process')	From the second Business Day after we receive the cheque.	From the fourth Business Day after we receive the cheque.	Up to the end of the sixth Business Day after we receive it even if you have already spent it. It may put you into overdraft.  From then on we cannot take money from your Account if the cheque is returned unpaid without your consent, unless you have been fraudulent.
Next Business Day cheque clearing cycle ('Cheque Imaging Process')	By 23.59 on the Business Day after we receive the cheque.	From 23.59 on the Business Day after we receive the cheque, at the latest.	Up to 23.59 on the Business Day after we receive the cheque.

ⓘ If you pay in a cheque at a Post Office, you should add an extra Business Day to the 2-4-6 process timings in the table above, or two extra Business Days if you pay it in after the Post Office's Cut-off Time. You can pay in cheques at most Post Offices using a personalised paying-in slip and a cheque deposit envelope. Please ask the Post Office you intend to use whether they offer this service.

### Cheques in other currencies

14.7 We may choose to 'negotiate' a foreign cheque or 'collect' it. If we negotiate the cheque we buy it from you by paying into your **Account** the sterling equivalent of the cheque on the **Business Day** after the day we receive it, using the relevant Bank of Scotland exchange rate prevailing on that day. If we collect the cheque we will pay into your **Account** the sterling equivalent of the cheque on the day we receive payment from the paying bank, using the relevant Bank of Scotland exchange rate on that day. You can get details of Bank of Scotland exchange rates from your business management team.

14.8 If the foreign bank returns the cheque or asks for the money to be returned, we will take the sterling equivalent from your **Account**, using the Bank of Scotland exchange rate on the day we debit your **Account**.

14.9 Occasionally it is not possible to obtain payment of foreign cheques because of local foreign exchange or other restrictions. We will tell you if this is the case.

# Section H – When we can refuse instructions or suspend an Account or service

## 15. Stopping a Payment Instrument

15.1 We can stop or suspend your ability to make payments using any **Device** or **Security Details** if we reasonably consider it necessary because of:

- ▶ Security – including if you tell us you have lost your **Device**;
- ▶ Suspected unauthorised or fraudulent use of a **Device** or your **Security Details**; or
- ▶ A significantly increased risk that you may be unable to pay any money you owe us on the relevant **Account**.

16. If we stop or suspend in this way, we will act in a reasonably appropriate way. We will try to contact you in advance to tell you we are doing this and why, unless the law prevents us or we reasonably believe it could undermine our security measures. If we cannot tell you in advance, we will tell you as soon as possible afterwards. If we stop a card or other **Device** you must not use it and we can keep it – for example by retaining it in an ATM – if you try.

## 17. Stopping or refusing a payment instruction

17.1 We can refuse to make a payment where it is reasonable to do so, for example if:

- ▶ it exceeds a limit we set (such as a spending limit on a card);
- ▶ you are in breach of this agreement;
- ▶ you don't have enough **Available Funds**;
- ▶ (where your **Account** is overdrawn) there is a significantly increased risk that you will be unable to pay us what you owe;
- ▶ we (or the systems we use) reasonably suspect the payment instruction is fraudulent; or
- ▶ we are otherwise unable to make a payment under this Agreement.

17.2 If we have refused the payment instruction or we cannot act on it we will, unless a regulatory requirement prevents us, notify you of or make available to you, the reason we could not execute it. We will do this as soon as possible and in any event by the time the payment should have reached the payee.

17.3 If we can't make a payment because you gave us incorrect information, we will tell you how to put this right if you ask us.

17.4 We may not be able to carry out a payment instruction if the bank or building society you are sending the payment to cannot accept Faster Payments. If we cannot make a payment for this reason we will tell you, or make this information available to you, and can advise on other ways to make the payment. We will not make the payment until we have received an instruction from you that we can properly execute by another method.

## 18. Suspending access to Accounts or services

18.1 We may suspend an **Account**, facility or service if we think you no longer want it because you have not used it for a long time, or are no longer eligible for it. We will give you two months' notice in writing before doing so.

18.2 We may suspend an **Account**, facility or service if we reasonably suspect fraud or unauthorised access, if you have failed to give us information we are required by law to hold about you or if a regulatory requirement means we have to. We do not have to tell you in advance before we do this.

# Section I – Who is responsible for any loss?

## 19. Refunds

19.1 It may be that you give us a payment instruction for a transaction or series of transactions to be initiated by or through a payee (except a direct debit) but:

- ▶ your authorisation did not specify the exact amount of the payment; and
- ▶ the amount is more than you can reasonably expect to pay based on the circumstances, including your previous spending patterns.

If so, and you request the refund within eight weeks from the date when the funds were debited, we will refund the full payment amount. This does not apply if you gave consent for the transaction directly to us and we gave you information about the payment at least four weeks before it was made.

19.2 We may ask you to provide such information or further information as we consider reasonably necessary to show that the payment satisfied these requirements.

19.3 We will refund the payment or tell you our reasons for not refunding it within 10 **Business Days** of receiving your request or of receiving any more information we ask for.

19.4 If a direct debit has been incorrectly taken from your **Account**, your refund rights under the relevant **Direct Debit scheme** will apply. You should tell us as soon as you think there has been an incorrect direct debit payment so that we can arrange a refund.

## 20. Unauthorised or mistaken payments

20.1 Unless we say otherwise in the terms and conditions governing the use of the relevant **Payment Instrument**, this section states your liability for:

- ▶ unauthorised transactions arising from the use of a lost or stolen **Payment Instrument** linked to your **Account**; or
- ▶ loss, theft or misuse of the security features of a **Payment Instrument** linked to your **Account**.

20.2 You must notify us by telephone or in writing using the contact details available online or in your Need to Know Brochure as soon as possible after you become aware of any incorrectly executed transaction or any unauthorised transaction on your **Account** (even where you use a **Third Party Provider**), and in any case within 13 months of the transaction date.

20.3 If we made a payment incorrectly because you gave us the wrong details, we are not responsible but will try to trace and recover the funds if you ask us. We will not charge you for trying to trace the payment but can charge you our reasonable costs for recovering the funds.

20.4 If we need to investigate a transaction on your **Account**, we may require you to co-operate with us and the police, if we need to involve them. We may need you to give us confirmation or evidence that you have not authorised a transaction.

20.5 You are responsible for ensuring that cheques you issue are correctly and legibly completed and signed.

20.6 Nothing in this agreement excludes our liability for fraudulent misrepresentation by us, our employees or agents, our liability for death or personal injury caused by our negligence or the negligence of our employees or agents, your refund rights under the Core Scheme Rules, or any other liability on our part that the law says we cannot exclude.

### Micro-enterprises

20.7 This section explains our obligations if you are a Micro-enterprise and:

- ▶ we are responsible to you for an incorrectly executed payment transaction or cheque payment on your **Account**, or
- ▶ you tell us there has been an unauthorised transaction on your **Account** or unauthorised cheque payment on your **Account** and we cannot show that the payment was in fact authorised.

20.8 If this is the case, we will (unless we have reasonable grounds to suspect fraud or another term of this agreement says you are liable for the transaction) refund to your **Account** the amount of the transaction or payment. We will also refund any interest and charges:

- ▶ directly incurred on the **Account** because of the transaction or payment; or
- ▶ which would not have been incurred had we executed the transaction or payment correctly or had the unauthorised transaction not been made.

We will do this by the end of the next **Business Day** after we become aware of the incorrect or unauthorised transaction. Beyond this we have no further liability for such a transaction.

20.9 If we can prove you acted fraudulently, you will be liable for all payments from the **Account** that we could not stop.

20.10 Otherwise you will not be liable for any unauthorised transactions made using your **Device** or **Security Details**, unless we can prove you have been grossly negligent with your **Device** or **Security Details**.

20.11 If we can prove this, you will be liable for all payments from the **Account** that we could not stop, but you will not be liable for a payment: (i) after you have told us the **Device** or **Security Details** have been lost, stolen or could be misused; (ii) if we have failed to tell you how to report your **Device** or **Security Details** as lost, stolen or capable of being misused; (iii) if you could not have detected that your **Device** or **Security Details** were liable to misuse (including because you did not receive them), or (iv) we did not apply **Strong Authentication** for the payment when a regulatory requirement said we should.

20.12 If a payment instruction is initiated by a payee (e.g. a direct debit) and:

## Section J – Changes to this agreement

- ▶ you are the payee, we are responsible only for correctly transmitting the payment order to the payer's bank. If we have done this incorrectly, we will make immediate efforts to trace the payment transaction if you ask us to and we will notify you of the outcome;
- ▶ you are the payer, we are responsible to you for a failure to execute the payment transaction or for incorrectly executing it only if the payment order has been correctly transmitted to us.

### Customers who are not Micro-enterprises

20.13 If you are not a Micro-enterprise, the Payment Services Regulations do not apply to you to the fullest extent possible.

20.14 If we incorrectly execute a payment transaction on your **Account**, or fail to execute it, we are liable to you for reasonable losses you incur (unless you have not provided us with all of the required information) if:

- ▶ they arise directly from our breach of this agreement or our negligence; and
- ▶ in the ordinary course of events and with the knowledge we had, we might reasonably have expected such loss to result directly from that breach or negligence.

20.15 Our liability to refund any incorrectly executed transaction is limited to the total of:

- ▶ any amount necessary to reimburse you as required by law regarding the transaction pursuant to which our breach or negligence occurred; and
- ▶ if relevant, any additional amount of interest and charges you directly incur on the **Account** that you would not have incurred otherwise.

Beyond this we have no further liability to you for a failure to execute properly or a failure to execute at all for any reason.

20.16 We are not liable for the defective execution or payment of cheques unless we are negligent or in breach of contract. If you tell us there has been an unauthorised cheque payment on your **Account** we are only liable to you if we are reasonably satisfied that you did not authorise the cheque. If we are liable to you we will refund the amount of any payment wrongly paid away, and any charges or interest you paid as a result of it. We will also pay you any interest we would have paid you on that amount. Beyond this we will have no further liability to you.

20.17 You will be liable for unauthorised transactions if you have acted fraudulently or have, with intent or gross negligence, failed to take reasonable steps to keep safe your **Device** or the **Security Details**. Otherwise, if we are reasonably satisfied that a transaction was unauthorised we will refund to your **Account** the amount of the transaction and any interest and charges directly incurred on the **Account** because of it. Beyond this we will have no further liability to you for an unauthorised transaction.

### 21. How and when we can make changes

- 21.1 We may change any provision of this Agreement at any time to reflect changes in law, regulation or codes of practice that apply to us or the way we are regulated, including to follow the guidance of the **Shariah Committee**. Wherever possible we will give you at least two months' notice of such changes. If this is not possible we will give you as much notice as we reasonably can.
- 21.2 We may also change any provision of this agreement for any other reason, but will tell you in writing at least two months before we make any such change.
- 21.3 We will regard you as accepting a change on the day it comes into effect unless you tell us before that date that you refuse to accept the change. If you tell us this, then:
- ▶ you can close the **Account** at any time before that date if you repay any amounts you owe us on the **Account** before you do so; or
  - ▶ if you do not close your **Account** before that date, this Agreement will terminate the day before. Any balance you owe us on the **Account** becomes immediately due and payable on termination.

# Section K – Ending this agreement and closing Accounts

## 22. When the agreement ends

22.1 This agreement continues until terminated in line with this section. The table shows how the agreement (or any **Account**, service or additional conditions) can be ended. If we end it, we will act in a way we think is reasonably appropriate for the circumstances and will try to reduce the inconvenience to you.

22.2 We will not charge you for ending this agreement.

## 23. Closing Accounts

23.1 If we close an **Account** or end this Agreement or a benefit or service, we will not be liable to compensate you for any loss of tax benefits or other consequential or indirect losses.

23.2 Closing an **Account** does not release you from liability for any sums owing to us or from any previous liability or **Indemnity** for any act we have performed in line with instructions that you or an authorised signatory gave us under the **Authority**. Any balance you owe us on an **Account** will become immediately due and payable on closure of the **Account**.

# Section I – Other important terms

## 24. Communicating with you

24.1 We will normally provide a paper statement each month. We may not do this if there are no payments out of the **Account**, but we will still provide a statement at least once a year. Each statement will set out all the payments into and out of your **Account** and will contain other information about those payments.

24.2 If you have registered for internet banking, you can also view your **Account** transactions online.

24.3 If you prefer, you can ask us:

- ▶ for information about payments at any time; and
- ▶ if you get monthly paper statements, to provide statements less frequently than monthly.

If we have already provided a statement on paper, we will charge you for a duplicate.

24.4 You must check bank statements, invoices, confirmations and communications sent to you within a reasonable time after receiving them and must tell us as soon as possible of any apparent mistake or discrepancy. Delay in notification may make it harder for us to correct mistakes.

24.5 We'll never phone, text or email you asking for your **Security Details**. If we suspect fraud or other security threats in relation to your **Account**, we will contact you in a fast and secure way (using the contact details we have for you) to tell you what you need to do. This may include SMS, online notifications, post, or any other appropriate messaging service.

24.6 You must tell us if your name or contact details change, including any email addresses, mobile phone numbers or other contact details. If you don't tell us, we won't be responsible if we can't contact you or we use outdated contact details.

24.7 The language of this agreement is English. Information we provide, make available or notify to you will be in English.

## 25. Force Majeure and Sanctions

25.1 Sometimes we are prevented from, hindered, or delayed or in performing our obligations under this agreement for abnormal and unforeseeable reasons beyond our control. (These things include strikes, lock-outs or other labour disputes; act of God, war, riot, civil commotion or malicious damage; accident, breakdown or other failure of equipment, software or communications network; fire, flood, or other event affecting the supply of goods or services.) If so, then despite anything in the rest of the agreement, we are not liable to you and need not perform our obligations under this agreement to the extent that we are so prevented, hindered or delayed.

25.2 We and any **Member** of the **Lloyds Banking Group** may be subject to sanctions, embargoes or both, imposed by the international community including the UK, EU, UN and the USA. We may not accept instructions and may refuse to make any payment or take any action under an instruction if it would result, or in our reasonable opinion is likely to result, in a breach by us or any **Member** of the **Lloyds Banking Group** or any of our or their respective employees of any sanction or embargo whether or not imposed in the UK. We are not liable for any loss, damage, cost or expense if this happens. We may disclose to the relevant authorities such information regarding instructions and payments as may be required.

## 26. Using money between Accounts

If you owe us money on an **Account** – including a loan, current, savings or other **Account** – we may use money in your other **Accounts** with us to reduce or repay (by using set-off or otherwise) what you owe us without telling you before we do so.

## 27. How we apply insurance money

If you have taken out a general insurance policy through us in connection with one of our **Accounts**, we will hold any money we receive in relation to the insurance in our capacity as a bank approved by the Prudential Regulation Authority and the Financial Conduct Authority, rather than as a trustee for you (or in Scotland as an agent for you). This includes premiums, claims payments and premium refunds paid to us by the insurer. The Financial Conduct Authority's client money rules do not apply to the money.

## 28. Notices

28.1 Other than notifications of interest rate changes, any notice that you or we give each other regarding your **Account** must be written. When we give you a written notice, we will use a letter, e-mail, text, statement, statement insert or message, or another way that is sent to you individually. We will always use a way that we reasonably think is likely to come to your attention and satisfies regulatory requirements. Any written notice from you to us must be by post.

28.2 Your notices to us must be posted to the Bank of Scotland plc, Citymark, 150, Fountainbridge, Edinburgh EH3 9PE, until further notice. We will send you notices at the address you have given us for correspondence. We or you may change address for communication by giving seven days' written notice to the other party.

## 29. Third Party Rights

29.1 This agreement does not confer or intend to confer a benefit enforceable by a person who is not a party to it. Such a person has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

### 30. No waiver

30.1 We may not always strictly enforce our rights under this agreement; for example, we may allow you more time to pay what you owe. If we do this, it will just be a temporary measure and does not stop us enforcing our rights in the future.

### 31. Governing Law and jurisdiction

31.1 This Agreement and any non-contractual obligations arising out of or in connection with it shall be governed and construed in accordance with either the laws of England and Wales if your **Account** is held in England and Wales, or the laws of Scotland if your **Account** is held in Scotland. The courts of either England and Wales or of Scotland (depending on where your **Account** is held) shall have exclusive jurisdiction to settle any dispute arising out of or in connection with this agreement (including any dispute relating to any non-contractual obligation arising out of or in connection with this Agreement).

31.2 These terms apply to the **Islamic Business Account**. In the event of any overlap and/or inconsistencies between these terms and any other terms and conditions relating to any of our other products and services, the terms and conditions relating to such other products and services will take precedence.

- 32.9 Under the scheme, we may transfer balances of dormant **Accounts** to Reclaim Fund Ltd (RFL), a not-for-profit reclaim fund authorised and regulated by the Financial Conduct Authority.
- 32.10 If we transfer the balance of your **Account** to RFL, you will have the same rights against RFL to reclaim your balance as you would have done against us. However, we remain responsible for managing the relationship

with you and for handling all repayment claims on behalf of RFL. Therefore, you should continue to contact us in the usual way if you have any questions or complaints about dormant **Accounts** or balances.

32.11 Both we and RFL participate in the Financial Services Compensation Scheme (FSCS). Any transfer by us to RFL of your balance will not adversely affect any entitlement you have to compensation from the FSCS.
