3 Use of the Card

- Following the signature of the Business Application by the Bank and the Business, the setting up of the Business Account, Payment Account, Debit Authority, Scheme Limit, and Cardholder Limits and all other administrative arrangements, subject to the clauses set out below, the Bank will make Cardholder Accounts available to the Business.
- The Business may apply for Cards to be issued to new or additional employees, contractors or agents of the Business.
- The Business shall distribute the Cardholder Applications to those employees, contractors or agents that it wishes to have access to the Services or a Programme Administrator may be able to apply through OCMS.
- The Business will procure that:
 - the employees, contractors or agents complete and return Cardholder Applications to the Programme Administrator; and
 - the Programme Administrator sends these on to the Bank as soon as reasonably practicable; or
 - that the Programme Administrator completes the process for opening a new Cardholder Account on OCMS.
- Following the Bank's receipt of duly completed Cardholder Applications or request for a new Cardholder Account on OCMS the Bank will either send Cards to the Programme Administrator for distribution, or send the Cards direct to the Cardholders.
- The Business will ensure that:
 - the Programme Administrator distributes the Cards he or she receives from the Bank to the Cardholders on receipt and provides a link to the Conditions of Use on the Website and notifies Cardholders of changes to those Conditions of Use;
 - the Programme Administrator advises each Cardholder of the Cardholder Limit applicable to that Cardholder;
 - all Cards are signed immediately upon receipt and are activated following instructions provided by the Bank on the enclosed documentation;

 - no Cardholder or User is under any liability to make any payment and no representation or statement is made by the Business or any of its employees, contractors or agents (including the Programme Administrators) which purports to impose liability on the Cardholder for the making of any such payment.
 - A Cardholder with an Embedded Card can only pass the Card details onto Suppliers for use (as applicable).
- You must use, and you must ensure that any Cardholder or Users uses, any security devices and Payment Instruments, and any Embedded Card details (as applicable) provided by us in accordance with any instructions that we give to you and you must take, and you must ensure that any Cardholder or Users takes, all reasonable steps to keep them safe.
- You must, and you must ensure that any Cardholder does:
 - not give or disclose details relating to any Cardholder Account, or the Business Account to anyone else to use them;

- 3.8.2 not give or disclose details relating to any security devices or Payment Instruments or Embedded Card (as applicable) to anyone else to use them;
- 3.8.3 not choose a PIN or any security details that are easy for someone else to guess;
- 3.8.4 store all information relating to any Cards, any Cardholder Account, the Business Account and the Embedded Cards (as applicable) safely and dispose of any information securely and permanently;
- 3.8.5 inform us as soon as possible if a Statement is not received, or a Cardholder does not receive a Cardholder Statement, or any other financial information that you or a Cardholder is expecting to receive from us; and
- 3.8.6 ensure that any PIN is protected by memorising it, destroying the written notification of the PIN as soon as possible after receiving it and not writing it or any security details on (or keeping them with) a Card or other financial documents or writing them in a recognisable way.
- 3.9 If any Cardholder leaves the employment of the Business and/or ceases to be an employee, contractor or agent of the Business, or on the death of a Cardholder:
- 3.9.1 the Business must inform the Bank (on the form the Bank provides or through OCMS) within seven Business Days of this happening;
- 3.9.2 the Business' obligations under the Agreement will continue in full force;
- 3.9.3 the Business will take steps to ensure the Card is recovered and destroyed (cut into two through the chip), and the Business may be required to return the Card to the Bank; and
- 3.9.4 the Business will remain liable to the Bank for all Card Transactions including any new Card Transactions made before the Card is destroyed (cut into two through the chip) or before the Embedded Card details are destroyed (as applicable).
- 3.9.5 the Bank may cancel the existing Embedded Card details and issue new Embedded Card details to the Business.
- 3.9.6 the Business will ensure that Cardholder's Embedded Card details will no longer be used with any Supplier.
- 3.10 Each Card may only be used within its Cardholder Limit. In deciding whether or not this has been exceeded, the Bank will take into consideration the amount of any Card Transaction not yet debited and any Authorisation the Bank has given in respect of prospective Card Transactions.
- 3.11 All Non-Currency Card Transactions will be converted to the Currency and debited to the relevant Cardholder account (or Business Account where relevant) at the Payment Scheme Exchange Rate which is applicable on the day the Card Transaction is debited to the relevant Cardholder Account (or Business Account where relevant) which may be after the day the Card Transaction is carried out. Any cash advances will be subject to a cash advance fee and if non-Currency cash is withdrawn or purchased it will also be subject to the Non Currency Card Transaction fee. The Non-Currency Card Transaction fee as shown on the website (which may be amended from time to time in accordance with clause 15) is added to the Currency amount and this fee and the converted Currency amount will be shown on the Statement and the relevant Cardholder Statement.
- 3.12 The Business undertakes to ensure that no Card is used in a manner prohibited by law and, in the case of a Business which is a body corporate, the provisions of Part 10 Section 197 of the Companies Act 2006.
- 3.13 The Business (via a Programme Administrator) may from time to time apply for Cards to be issued to new Cardholders, or terminate the authority of any Cardholder to use a Card on forms provided by us for these purposes or through OCMS. Termination of a Cardholder's authority will only be effective if accompanied by the relevant Card cut into two through the chip. However, the Bank will make reasonable efforts to terminate a Cardholder's authority before the previous requirements have been met where it is believed that the Cardholder may have made or may make unauthorised use of the Card.
- 3.14 A Programme Administrator may not apply for and authorise their own Card. In the event that there is only one Programme Administrator appointed, a new Programme Administrator should be appointed.
- 3.15 The Business (via a Programme Administrator) may request an increase in the Scheme Limit by contacting their relationship manager and completing the form provided by the Bank. All requests will be subject to the Bank's usual credit review and approval process.
- 3.16 When the Business makes a request under clause 3.15, the Business will advise the Bank of any change it proposes to any Cardholder Limit which the Bank, subject to clause 3.17, will confirm and put into effect. The Business will advise the relevant Cardholder of the change in their Cardholder Limit, together with the date notified by the Bank when the change will take effect.
- 3.17 A Cardholder Limit cannot be increased by the Business if it would result in the aggregate of all Cardholder Limits exceeding the Scheme Limit.
- 3.18 No Card, Card Number or PIN may be used for any illegal purpose or outside the period shown on the Card or any expiry period given for the Embedded Card or if the Bank has cancelled or put a stop on that Card.
- 3.19 Each Cardholder will be separately issued with a PIN to use on the relevant Cardholder Account which will allow them to authorise payments at Suppliers, use PIN Management Services at ATMs, and make cash withdrawals from ATMs or at branch counters and purchase currency or travellers' cheques from a travel bureau or other outlet providing similar services (where the cash advance facility has been allowed by the Business). This is a security measure designed to protect against unauthorised access to each Cardholder Account. The PIN will only be known by the respective Cardholder and the PIN will not have been revealed by the Bank to anyone else or be known by any member of Bank staff. When each Cardholder receives their PIN they can change it and select one of their own choosing through any of our ATMs. As a fraud prevention measure the Bank restricts use of some numbers as PINs which are easily guessed.
- 3.20 The Bank may from time to time issue Cardholders with additional security codes or require them to comply with additional security measures for the authorisation of payments made via Suppliers' websites. Where the Bank does so, the Bank will send details either to the Programme Administrator for distribution or directly to Cardholders, together with any applicable additional terms and conditions. The Business will ensure that each Cardholder uses any additional security codes or complies with any additional security measures issued or required by the Bank under this clause in accordance with any applicable additional terms and conditions.
- 3.21 We will treat a payment instruction requesting that we execute a Card Transaction to have been received by us at the time that it is actually received by us, unless a Cardholder instructs us to make a payment on a future date or a series of recurring payments on future dates.
- 3.22 If we are instructed to carry out a Card Transaction on a future date or a series of Card Transactions on future dates, we will treat the date that we are required to carry out the Card Transaction as the date that we receive the payment instruction (this is known as the date of deemed receipt).
- 3.23 If we receive (or are deemed to receive) any payment instruction after the cut-off time on any Business Day or on a day which is not a Business Day, we will treat that payment instruction as having been received by us on the next Business Day. You can find our payment cut-off times on our Website.
- 3.24 A Card Transaction will be regarded as authorised by both the Business and a Cardholder where a Cardholder authorises the Card Transaction by following the instructions provided by the Supplier to authorise the Card Transaction, which includes:
- 3.24.1 entering a PIN or providing any other security code;
- 3.24.2 providing the CVV code to that Supplier;
- 3.24.3 signing a sales voucher;
- 3.24.4 waving or swiping a Card over a card reader;
- 3.24.5 inserting a Card and entering the relevant PIN to request a cash withdrawal at an ATM;
- 3.24.6 where a Cardholder or User uses an Embedded Card to make a purchase through a Supplier; or
- 3.24.7 making a request for a cash withdrawal at any bank counter or making a request to purchase currency or travellers' cheques from a travel bureau or other outlet providing similar services (where the cash advance facility has been allowed by the Business).
- 3.25 Once a Card Transaction is regarded as authorised by the Business and a Cardholder in accordance with clause 3.24, such authorisation can only be withdrawn where we have been instructed to:
- 3.25.1 make a Card Transaction on a future date; or
- 3.25.2 make a series of recurring Card Transactions, in which case, a Card Transaction can be cancelled by the Business or the Cardholder telling the Supplier, the other party that the Cardholder has made the arrangement with or us, provided that the Business or the Cardholder gives notice no later than the end of the Business Day on the day before the relevant payment is due to be made.
- 3.26 If you and/or a Cardholder withdraws authorisation in relation to a series of recurring Card Transactions, we will treat this as you and/or the Cardholder (as applicable) withdrawing authorisation for all future Card Transactions in the series, unless you or the Cardholder notify us otherwise.
- 3.27 Once the Business or the Cardholder has notified us that they withdraw authorisation for a Card Transaction, we will not carry out the relevant Card Transaction(s). However, it is your responsibility to notify anyone who was expecting to receive such payment(s) and we will not be responsible for any loss or damage that you may suffer if you fail to do so.

- 3.28 We may ask for clarification of which Card Transaction the Business or the Cardholder is stopping and/or, if appropriate, request written confirmation that authorisation for a recurring transaction arrangement has been withdrawn. We will treat any future Card Transactions made pursuant to that arrangement as unauthorised. You will also need to tell anyone you make regular payments to if your account is closed or a Card Number changes otherwise they may not be able to collect your payments. If you do miss a payment for this reason, we are not liable to you for any loss or damage you suffer as a result.
- 3.29 A Supplier may contact the Bank or an agent acting for the Bank for Authorisation in respect of a Card Transaction that a Cardholder wants to make. Therefore there may be a delay before the Supplier processes a Card Transaction, and the Cardholder might not always be able to make a Card Transaction straight away, or at all.
- 3.30 If Authorisation for a Card Transaction is given, that Card Transaction will immediately reduce the total amount that can be drawn within the relevant Cardholder Limit and the Scheme Limit. You, or a Cardholder, or User will usually find out that we have refused to authorise a Card Transaction if a Supplier asks for payment by another method or the ATM will not dispense cash. However, a Supplier may be unable to immediately give notice that a Card Transaction has been refused. We are not responsible for any loss if a Supplier refuses to accept a Card or we refuse to authorise a Transaction or delay in doing so.
- 3.31 The Authorisation of a Card Transaction referred to in clause 3.30 can include authorising any single Card Transaction, a series of recurring Card Transactions or pre-authorising a future Card Transaction of a certain or uncertain amount.
- 3.32 If we are authorised in advance to make a future Card Transaction and the amount of the transaction is not known, we may reserve funds in the relevant Cardholder Account if you or the Cardholder consent to an exact amount of funds to be reserved. Reserved funds will be released when we are made aware of the amount of the Card Transaction.
- 3.33 The Bank has the right to decline to process or delay processing any Card Transaction, and the Bank will not have any responsibility to you for any loss or damage that you may suffer as a result, if:
- 3.33.1 you are in breach of the Agreement;
 - 3.33.2 the Card Transaction would exceed the relevant Cardholder Limit or the Scheme Limit;
 - 3.33.3 the terms of the account held by the beneficiary of the payment prevent completion of the Card Transaction;
 - 3.33.4 the Card Transaction seems unusual when considering the way that the relevant Cardholder Account is normally used or we reasonably believe a Card Transaction may be fraudulent;
 - 3.33.5 by processing the Card Transaction, we would infringe any law or regulation or the rules of the Payment Scheme or any industry good practice;
 - 3.33.6 not acting on the instruction to process the Card Transaction or delaying to act on the instruction would assist us with complying with applicable money laundering laws or regulations;
 - 3.33.7 we consider that the instruction to process the Card Transaction is inaccurate or requires further explanation;
 - 3.33.8 by acting upon the instruction to process the Card Transaction, it would breach the Agreement or any operating limits relating to the Agreement;
 - 3.33.9 the payment instructions relate to a country from or to which we may decide not to process payments (for example, a country in relation to which sanctions are in place); and/or
 - 3.33.10 any of the circumstances in clause 13 occur.
- 3.34 If we have declined to process a Card Transaction, we will provide and/or make available to you on request details of the reason(s) for the refusal as soon as is practicable, unless the law prevents us from doing so or it would undermine our security measures. We will also include details of how to correct any errors which led to our refusal, if appropriate. To request this information, please contact our customer services centre by telephone on 0800 096 4496 (if abroad +44 1908 544059), this customer service helpline is available 24 hours a day seven days a week for assistance if your Card Transaction has been declined.
- 4 Third Party Providers (TPPs)**
- 4.1 Your Programme Administrator will be able to give consent to a TPP to access the information on your Business Account for you, as long as the TPP is open and transparent about its identity and acts in accordance with relevant regulatory requirements. You must be registered for OCMS to do this. We will treat any instruction from a TPP as if it were from you.
- 4.2 We may refuse to allow a TPP to access your account information if we are concerned about fraudulent or unauthorised access by that TPP. Before we do this, we will tell you and explain our reasons for doing so, unless it is not reasonably practicable, in which case we will tell you immediately afterwards. In either case, we will tell you in the way which we consider most appropriate in the circumstances. We won't tell you where doing so would compromise our reasonable security measures or otherwise be unlawful.
- 4.3 We may make available to a TPP a specific means of accessing your account. If we do, and it tries to access your account by a different way, we may refuse to allow that access.
- 4.4 If you use a third party card issuer they may be able to request confirmation from us that you have the necessary credit available on your Business Account for them to approve a Card Transaction. We will only respond to a request if you have given us explicit consent to do so.

- 5.8 The Business will access OCMS at its own cost through its own service provider using its own equipment and will at all times be responsible for ensuring that it is compatible with the relevant requirements for access to and use of OCMS. The Business acknowledges that its systems will from time to time be under threat from viruses and other intrusive devices which may have a deleterious effect on their operation. The Business is responsible for taking all appropriate and necessary measures for the protection of its own systems and equipment from any such intrusion whether via OCMS or otherwise and the Bank will not be liable for any loss or damage caused thereby.
- 5.9 The Bank may accept as authentic and accurate and act upon any information that is accompanied by the appropriate identifier without further investigating the source of information.
- 5.10 The Bank gives no warranty or assurance with respect to OCMS and all implied warranties are excluded to the maximum extent permitted by law.
- 5.11 Although industry-customary security measures have been implemented to protect the privacy of information transmitted via OCMS the Bank does not warrant that any such information will be fully protected from unauthorised access.
- 5.12 The Bank will use reasonable efforts to enable access to OCMS on a 24/7 basis but does not warrant that the use of OCMS will be uninterrupted whether for scheduled maintenance or otherwise and the Bank will not be liable for the Business' inability to use OCMS howsoever this arises.
- 5.13 The Bank may modify OCMS, suspend the availability or provision of OCMS or terminate your use of OCMS at any time on reasonable grounds relating to:
- 5.13.1 maintenance or enhancement;
- 5.13.2 breach of security or breach by the Business of any of its obligations hereunder;
- 5.13.3 the Business' failure to agree to any changes to the terms of use relating to the OCMS; or
- 5.13.4 the Business' use, or attempted use, of OCMS in an unauthorised manner;
- and whenever practicable the Bank will notify the Programme Administrator accordingly.
- 5.14 The Bank may at its discretion delay or decline to update on OCMS any transmitted information which it considers to be unacceptable for any reason, including suspected unauthorised access or fraud.
- 5.15 Unless terminated earlier by the Bank, the rights of access to OCMS will cease on termination of the Agreement and the Business will ensure that OCMS and each part thereof is deleted from all electronic media, including intranet and electronic storage devices operated for and on behalf of the Business.
- 5.16 Subject to clause 18 and to the extent permitted by relevant law or regulation, the Business will indemnify the Bank against all losses, costs, claims, damages and expenses which may be sustained or incurred by the Bank as a result of incorrect information or instructions received from the Business or a Cardholder or the unauthorised use of OCMS or any failure on the part of the Business (including the Programme Administrator and Cardholders) to comply with their respective obligations under the Agreement and any other reasonable instructions issued by the Bank from time to time.
- ## 6 Statements and Repayment
- 6.1 If there have been any Card Transactions or Charges in any Billing Cycle on a Cardholder Account or Business Account, the Bank will prepare a Statement and provide it or, upon request, make it available to the Business.
- 6.2 You agree that the following information may be provided in the Statements that we provide or make available to you in a Billing Cycle. In relation to any specific Card Transactions you can also request and we will provide to you the following information by post, by e-mail or by other agreed manner and there may be a charge associated with this service where this information is requested more than once a month:
- 6.2.1 a reference enabling you to identify the Card Transaction;
- 6.2.2 where appropriate, information that we have received relating to the beneficiary of the payment;
- 6.2.3 the amount of the Card Transaction in the currency in which the relevant account was debited or in the currency used for the payment order;
- 6.2.4 the amount of any charges for the Card Transaction and, where applicable, a breakdown of those charges, and/or any interest payable by you;
- 6.2.5 where applicable, the exchange rate used in relation to the Card Transaction and the amount of the Card Transaction after the currency conversion into the Currency; and
- 6.2.6 the debit value date or the date of receipt of the Card Transaction.
- 6.3 A Statement will constitute a proper demand for payment; and the Business (not any Cardholder) is liable to make payment of the full amount outstanding on each Statement from the Payment Account.
- 6.4 The Business will open and maintain with the Bank during the term of this Agreement the Payment Account using the form provided by the Bank and provide the Bank with the Debit Authority at the time of entering into this Agreement.
- 6.5 For Card Transactions that are being settled using the Company Pay Facility, we will debit the Payment Account by Direct Debit no sooner than seven (7) and no later than thirty (30) days from the date of the Statement. The Business shall be responsible for ensuring that the Payment Account contains funds in the Currency sufficient to meet the amount due from it under a Statement prior to the Bank seeking payment of the amount due under that Statement under and as provided by the Debit Authority. Under and as provided by the Debit Authority the Bank will debit the amount of all Card Transactions set out in the Relevant Statement from the Payment Account. The Business will be liable to pay the Bank all amounts so debited and all Charges at the times set out in the Agreement.
- 6.6 The Business will ensure that sums demanded under clause 6.5 are paid to the Bank on first presentation of the Direct Debit. For the avoidance of doubt as between the Business and the Bank, the Business will be liable for all such payments.
- 6.7 PLEASE NOTE that in the event that there are insufficient funds in the Payment Account to meet the amount being debited by the Bank in respect of a Statement, all Cards will be blocked automatically and no further Card Transactions will be capable of being undertaken until such time as the Payment Account has been placed in sufficient funds to meet the amount due to the Bank under that Statement.
- 6.8 If there have been any Card Transactions or Charges in any Billing Cycle on a Cardholder Account, the Bank will prepare a Cardholder Statement and provide it or make it available to the relevant Cardholder and Business. The Cardholder will not be under any obligation to make payment of any amount outstanding on a Cardholder Statement.
- 6.9 We recommend that you check your Statement, and each Cardholder checks their Cardholder Statement, promptly on receipt. If there is an entry which seems to be wrong the Business should tell us in accordance with clause 12.2. Delay in notification may make correcting the error difficult. If we need to investigate a Card Transaction on any account the Business shall co-operate with us and the police, if we need to involve them.
- 6.10 In addition to your other payment obligations the Business must repay the Bank the amount of any excess over the Scheme Limit, any arrears and any Card Transactions made in breach of the Agreement, on demand.

- 6.11 All payments will only take effect when debited from the Payment Account and may be applied against Card Transactions and Charges in such order as we may decide from time to time.
- 6.12 Payments reduce balances on the Business Account and/or the relevant Cardholder Account in the following order: late payment fee; Card Transaction fee; cash advance fee; ATM cash advance fee; old balances; new balances.
- 6.13 Notwithstanding any of the terms or provisions of the Agreement, the whole of the outstanding balance due to us shown on the Business Account under the terms of the Agreement will become immediately due and payable by the Business without demand or notice from us if:
- 6.13.1 the Business is in breach of any of the provisions or undertakings of the Agreement; or
- 6.13.2 the Business is Insolvent.
- 6.14 If you become aware that any of the circumstances set out in clause 6.13 have occurred, or if you believe that they will occur, you must notify us immediately.

7 Business' Liability for Cardholders

- 7.1 Subject to clause 18, the Business will be liable for any direct or indirect loss incurred by any member of Lloyds Banking Group resulting from use of the Card(s) including if a Cardholder fails or former Cardholder has failed to observe the Conditions of Use or any additional terms and conditions applicable to an additional security code or measure issued or required by the Bank under clause 3.20, or acts improperly or unlawfully in relation to a Card or a Card Transaction, and any such loss will be debited by the Bank to the Business Account.

8 Requirements for the Services

The minimum Scheme Limit will be at least £25,001 and the Services will only be available to a Business which is using the Services in the course of its business and to whom the provisions applicable to 'regulated agreements' under the Consumer Credit Act 1974 do not apply, except where a lower limit is agreed in writing between the Bank and the Business.

- 9.2 We reserve the right to introduce new charges, amend our Charges and/or amend any volume rebate agreed with you at any time. If we do so, we will provide you with two months' advance written notice in the same way as we provide notice of any other changes to these terms and conditions (and clause 15 will apply).

10 Non-payment/arrears

- 10.1 The Business will pay Charges on any sum that it does not pay within the times specified in the Agreement. Details of the Charges can be found on the Website or are as otherwise notified to you in writing from time to time in accordance with the Agreement.
- 10.2 Where Card Transactions are being settled using the Company Pay Facility, a fee in respect of any sum that the Business does not pay within the time specified in clause 6.5 will be payable.
- 10.3 The Bank may also charge the Business a sum to cover its reasonable costs incurred in collecting any sum not paid on time or resulting from any other breach of the Agreement or the Conditions of Use.
- 10.4 We want your business to be successful. However, there may be times when you need extra support. You should let us know by contacting your relationship manager as soon as possible if your business is experiencing financial difficulties. We will always try to help you and try to develop a plan with you to deal with the difficulties.

11 Lost or Stolen Cards

- 11.1 If any Card is lost or stolen, or its PIN becomes known to any other person, or any Card or PIN are for any reason liable to misuse, the relevant Cardholder or the Business must notify the Bank without undue delay by telephone on 0800 096 4496 (if abroad, +44 1908 544059), this customer service helpline is available 24 hours a day seven days a week for lost or stolen Cards. The Bank may ask for written confirmation within seven days. Please always give the account number of the Card in such written confirmation. If a Card is subsequently found it must not be used. The Business will take steps to ensure the Card is recovered and destroyed (cut into two through the chip), and the Business may be required to return the Card to the Bank.

- 11.2 The Business will, and will ensure that the relevant Cardholder will, assist us or our agents in the investigation of the loss, theft or possible misuse of their Card or the disclosure of the relevant PIN, and will assist us to recover their Card. The Business consents to the disclosure of any relevant information concerning the relevant Cardholder Account in connection with such matters. The Bank may pass on related information to other banks, to those involved in processing card payments, or to the police or other authorities, in the United Kingdom or (if appropriate) abroad.
- 11.3 All Cards are and remain our property at all times. If we have stopped the use of a Card in accordance with clause 14, the Business is responsible for taking steps to ensure the Card is recovered and destroyed (cut into two through the chip), and the Business may be required to return the Card to us.
- 11.4 The Business may be covered by Liability Waiver Insurance, subject to and in accordance with the terms and conditions of the insurance policy from time to time in force. A copy of the terms and conditions of the policy can be viewed at lloydsbankcommercial.com/Corporate-terms/BankofScotland/NewBankofScotlandTerms.
- 11.5 When a Card expires or is lost or stolen, the Bank may issue a new Card.
- 11.6 For the avoidance of doubt the Cardholder or any User will not be liable to the Bank for anything under this clause 11.

12 Disputed Amounts and Chargebacks

- 12.1 The Business may only dispute amounts on the Statement that it believes to be incorrect if:
- 12.1.1 the amount shown on the Statement does not reflect the actual face value of the Card Transaction;
- 12.1.2 a Card Transaction shown on the Statement did not result from the use of a Card;
- 12.1.3 the Statement reflects Charges not properly made; or
- 12.1.4 the Business is not liable for that amount or part of that amount under clause 18.
- 12.2 The Business must notify the Bank in writing of any dispute about any amount on the Statement without undue delay and in any event within 13 months of the date that any disputed payment was debited from the relevant Cardholder Account or the Business Account (as applicable).
- 12.3 The Business must immediately notify the Bank in writing if it suspects that a Card Transaction involves fraud, unauthorised use or any other circumstances where a Supplier may be held liable under the applicable Payment Scheme rules. The Bank will attempt to charge the Card Transaction back to the Supplier under the Payment Scheme rules. This will not relieve the Business of liability for the Card Transaction unless the chargeback to the Supplier occurs, in which case the amount will be credited to the Business Account or relevant Cardholder Account as applicable.

13 Termination

- 13.1 You may terminate the Agreement at any time for any reason. If you wish to do so, you will need to give one month's notice to us. Such notice needs to be given to us in writing by post, unless otherwise agreed between you and us.

- 13.2.2.12 we find that you entered into the Agreement with us without informing us in writing beforehand, that material litigation was, or material administrative, criminal or judicial proceedings were, being taken against you ("material" means likely, if successful, to have any damaging effect on you);
- 13.2.2.13 you fail at any time to meet any identification or other checks required by law or regulation;
- 13.2.2.14 we reasonably believe that, if we do not stop providing you with the Services, you will cause us to breach any applicable law or regulation or expose us to action from any government or regulator;

- 13.2.2.16 you are Insolvent.
- 13.3 If you become aware that any of the circumstances set out in clause 13.2.2 have occurred, or if you believe that they will occur, you must notify us immediately.
- 13.4 On termination of the Agreement, howsoever occurring:
- 13.4.1 the Business will take steps to ensure all Cards issued to Cardholders are recovered and destroyed (cut into two through the chip), and the Business may be required to return the Cards to the Bank. Repayment of the outstanding balances and any applicable Charges is required immediately;
- 13.4.2 the Business' obligations under the Agreement will continue in force and the Business will remain liable to us for all Card Transactions and any Charges payable until payment is made of the full amount outstanding (and any outstanding amounts shall become immediately due and payable on termination);

14 When we can stop the use of a Payment Instrument

- 14.1 We can stop the use of a Payment Instrument, or refuse to renew, replace or reissue a Payment Instrument, if it is reasonable for us to do so for reasons relating to:
- 14.1.1 the security of the Payment Instrument;
- 14.1.2 any suspected unauthorised or fraudulent use of the Payment Instrument;
- 14.1.3 a significantly increased risk that you will be unable to repay any credit line relating to the Payment Instrument; and/or
- 14.1.4 our legal or regulatory obligations; and we will not have any responsibility to you in respect of any loss or damage that you may suffer as a result.
- 14.2 We will inform you as soon as is practicable if we are going to, or if we have, stopped the use of a Payment Instrument and we will advise you of any reasons, unless the law prevents us from doing so or it would undermine our security measures. We will remove the stop on any Payment Instrument or replace it with a new Payment Instrument as soon as is practicable if the reason for stopping it no longer applies.
- 14.3 If you need to discuss the stop on a Payment Instrument with us, you can call us on 0800 096 4496 (if abroad +44 1908 544059) or write to us at Bank of Scotland Card Services, PO BOX 6061, Milton Keynes MK7 8LE.

15 Changes to these terms and conditions

- 15.1 We may make changes to these terms and conditions for any reason. For example, typically (but not exclusively), we may make changes to comply with changes to the law, rectify errors, improve security, change the scope of the services that we provide or take account of reorganisations within Lloyds Banking Group.
- 15.2 If we intend to make changes to these terms and conditions, we will give you at least two months' written notice before the changes come into effect, unless the changes are required due to a change in relevant legislation or regulations and we are prevented from giving you two months' written notice. In those circumstances, we will give you as much written notice as possible.

- 15.3 We will notify you of changes to these terms and conditions by post, by e-mail, through any online service which you receive from us or in any other way which we have agreed with you. In the notice, we may direct you to our Website where the most recent terms and conditions are posted. During the period before a change comes into effect, you may reject the change, provided that you notify us of this in writing. In such circumstances, your notice of rejection of the change will be deemed to be a notice that you wish to stop receiving the Services and the Agreement will terminate on the day before the change takes effect. You will not incur any additional charges as a result of choosing this course of action. If you do not notify us before a change comes into effect, we will treat you as if you have accepted the relevant change.
- 15.4 If we add new products or services to the Agreement or add to the ways that you can use the Services (and this does not otherwise change these terms and conditions), this will not be treated as a change and, as a result, we will not be required to give two months' written notice of this to you.
- 15.5 Changes to the Payment Scheme Exchange Rate will take effect immediately as such changes are made by the Payment Scheme.
- 15.6 If we are making a change to any other exchange rate which applies to you and the change is favourable to you, we may make the change immediately. In any other circumstances, we will provide at least two months' advance written notice to you of changes to exchange rates by post, e-mail, through any online service which you receive from us or in any other way which we have agreed with you (and clause 15.3 will apply).

16 Refunds for incorrect payment amounts/sums

- 16.1 For Card Transactions where the exact amount of the payment was not specified when you, a User or a Cardholder gave authorisation for the Card Transaction, we will refund the amount of the payment (and any related interest and charges directly incurred by you) if:
- 16.1.1 the amount of the payment is more than you could have reasonably expected to pay taking into account the previous spending pattern on the relevant Card, the Agreement and any other circumstances relevant to you, the Cardholder, the Card or the payee; and
- 16.1.2 you request the refund from us within eight weeks from the date that the amount was debited from the relevant Cardholder Account or the Business Account (as applicable).
- 16.2 You will not be entitled to a refund if you or the relevant Cardholder gave authorisation for the Card Transaction directly to us and the amount of the payment was provided or made available to you or the Cardholder at least four weeks before the due date for payment.
- 16.3 Before providing a refund to you, we may ask you to provide us with any information that we reasonably require so that we can ensure that you satisfy the requirements for a refund.
- 16.4 Within 10 Business Days of the later of:
- 16.4.1 our receipt of your request for a refund; or
- 16.4.2 our receipt of any information that we ask you to provide,
- we will provide you with a refund or inform you why you are not entitled to a refund. If you are not happy with our decision, you can contact your relationship manager or make a complaint to us. Further details about our complaints procedure are set out in clause 20.
- 16.5 Beyond the responsibility set out above, we will have no further responsibility to you in respect of a Card Transaction which has been initiated by a payee under the circumstances set out in this clause 16.

17 Refunds for unauthorised transactions

- 17.1 Subject to clauses 17.2 and 17.3, if a Card Transaction was not authorised by you (and subject to any responsibility that you may have under clause 18) or the relevant Cardholder, we will refund the amount of the Card Transaction and, where applicable, restore the relevant Cardholder Account or the Business Account (as applicable) to the state in which it would have been had the unauthorised transaction not taken place, by the end of the next Business Day, provided that you notify us without undue delay on you or a Cardholder becoming aware of the unauthorised transaction, and in any event within 13 months of the date that the payment was debited from the relevant Cardholder Account or the Business Account (as applicable). You can find details of how to contact us in clause 11.1.
- 17.2 In some circumstances, we may investigate whether you are entitled to a refund before providing a refund and we may ask you to provide us with any information that we reasonably require as part of such investigation. In other circumstances, we may provide a refund and subsequently investigate. If, through our subsequent investigations, we discover that you were not entitled to a refund, we may debit the refunded amount from the relevant Cardholder Account or the Business Account (as applicable). We will give you reasonable notice in advance of doing so.

17.3 When we are assessing whether a Card Transaction was authorised by you:

- 17.3.1 if you are not a Micro-Enterprise or a Charity, you agree that Regulation 75 of the Payment Services Regulations does not apply to you and that therefore it is your responsibility to prove that a payment was not authorised by you or the relevant Cardholder and we can treat the use of any Payment Instrument as sufficient evidence to show that the payment was authorised by you or the Cardholder or that you acted fraudulently or with intent or gross negligence failed to take any of the actions set out in clauses 18.1.3 or 18.1.4; and
- 17.3.2 if you are a Micro-Enterprise or a Charity, we cannot necessarily treat the use of any Payment Instrument as sufficient evidence of the above, although this is one of the factors that we will take into consideration.

17.4 Beyond the responsibility set out above, we will have no further responsibility to you for unauthorised transactions.

18 Your responsibility for unauthorised transactions

Your responsibility if you are a Micro-Enterprise or a Charity

18.1 Subject to clause 18.2, If you are a Micro-Enterprise or a Charity, you will be responsible for any losses incurred in respect of an unauthorised transaction arising from:

- 18.1.2 the misappropriation of a Payment Instrument due to you failing to keep the personalised security features of the Payment Instrument safe, up to a limit of £35 or currency equivalent per instance of loss, theft or misappropriation, unless you have acted fraudulently or you have intentionally or with gross negligence failed to:
- 18.1.3 take all reasonable steps to keep the personalised security features of the Payment Instrument safe;
- 18.1.4 use the Payment Instrument in accordance with the Agreement; or
- 18.1.5 notify us in the agreed manner and without undue delay on becoming aware of the loss, theft, misappropriation or unauthorised use of the Payment Instrument, in which case your responsibility for losses will be unlimited.

- 18.2.1 after you have notified us in the agreed manner of the loss, theft, misappropriation or unauthorised use of the Payment Instrument; or
- 18.2.2 if we fail to provide you with the means for you to notify us of the loss, theft, misappropriation or unauthorised use of the Payment Instrument (unless clause 23 applies to us);

- 18.3.1 the use of a lost or stolen Payment Instrument; or
- 18.3.2 the misappropriation of a Payment Instrument due to you failing to keep the personalised security features of the Payment Instrument safe.

18.4 You agree that Regulation 77 of the Payment Services regulations does not apply to you and that therefore your responsibility for losses will be unlimited.

18.5 Unless you have acted fraudulently, you will not be responsible for any losses arising:

- 18.5.1 after you have notified us of the loss, theft, misappropriation or unauthorised use of the Payment Instrument;
- 18.5.2 if we fail to provide the means for you to notify us of the loss, theft, misappropriation or unauthorised use of the Payment Instrument (unless clause 23 applies to us);
- 18.5.3 from the use of a Payment Instrument used without your permission before you receive it; or
- 18.5.4 if we fail to apply procedures that we are legally required to use to check that a payment has been authorised by you or a Cardholder.

19.3 No member of Lloyds Banking Group will be liable for the refusal of any other bank, ATM or other machine or supplier to accept or honour a Card, nor will any such member be responsible in any way for the goods and services supplied to the Business, a User or Cardholder.

19.4 Subject to clauses 19.7 and 19.8, the maximum aggregate Liability of the Bank which arises from an act, omission, event or circumstance which occurs in any one calendar year will not exceed the value of the Charges paid to the Bank during that calendar year.

19.5 Any complaints by either a Cardholder, a User or the Business with a Supplier must be resolved by the Business with such Supplier and no claim by the Business or a Cardholder against any Supplier may be the subject of a claim or counter-claim against any member of Lloyds Banking Group.

19.6 The Bank accepts no responsibility if a request for Authorisation is declined or if a Card is not accepted in payment or for any loss or damage resulting from the way either is communicated to the Business, a User or the relevant Cardholder.

19.7 Nothing in the Agreement limits or excludes our Liability in any way under clauses 16 and 17 of the Agreement. Any limitation on your Liability under clause 18 of the Agreement will not be affected or prejudiced by any other term of the Agreement.

19.8 Nothing in the Agreement excludes our Liability in any way for:

- 19.8.1 death or personal injury which is caused by our negligence or the negligence of our employees, agents or subcontractors;
- 19.8.2 our fraud or fraudulent misrepresentation, or the fraud or fraudulent misrepresentation of our employees, agents or subcontractors; or

19.9 The Agreement is solely between you and us and, with the exception of terms in the Agreement which include references to Lloyds Banking Group (which can be enforced by Lloyds Banking Group), no other person will have any rights to enforce any of its terms.

19.10 If we fail to insist that you perform any of your obligations under the Agreement or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations. If we do decide to waive a breach by you, we will do so in writing, and that will not mean that we automatically waive any later breach by you.

19.11 All warranties, conditions and other terms implied by law are excluded from the Agreement to the fullest extent permitted by law.

19.12 If we are told that money has been paid into your Business Account by mistake, we can take from your account an amount up to the mistaken payment amount. We do not have to ask you to agree to this, but will let you know if it happens. We will act reasonably and try to minimise any inconvenience to you. If we are unable to return funds to the sender, we can give them details about you and your Business Account so they can recover the money from you.
