# Account Charges

To ensure you have everything you need to know about our charges we'd like to fully explain these in detail.

The charges included in this booklet are correct at the time of going to print. For our most up-to-date rates, please visit [bankofscotland.co.uk/businessratesandcharges](http://bankofscotland.co.uk/businessratesandcharges)

## Help with queries

If at any point you think we've charged you the wrong amount, please speak to your business management team on **0345 300 0268** between 7am–8pm Monday to Friday (except Bank Holidays) and 9am–2pm on Saturday.

## Keeping your charges low

Services that cost us more to process are going to cost you more to use.

Here are some ways to cut the cost of day-to-day business banking once your introductory period of free banking has run its course.

## Go online

You can save money by using **Business Internet Banking**, our Internet Banking service.

- ▶ This online service lets you pay bills, transfer money, check account balances, set up and amend Standing Orders, view and cancel most Direct Debits, and print out statements.
- ▶ We also have a free optional **Online Payment Control** service to help businesses who want to delegate payment responsibility while keeping control. The service allows a user's individual payment limit to be set for each transaction or two or three people can be chosen to authorise all payments online.
- ▶ **Business Internet Banking** is available 24 hours a day, seven days a week<sup>†</sup>.

To register visit [bankofscotland.co.uk/business](http://bankofscotland.co.uk/business)

<sup>†</sup> Occasionally we may need to carry out essential maintenance, resulting in some interruption to service.

## Pay by Direct Debit

Why not make regular payments within the UK, such as phone bills or National Insurance contributions, by Direct Debit rather than by cheque? As Direct Debits are a cheaper option, the savings will soon add up over a 12-month period.

## Get cash with your card, not a cheque

Instead of cashing a cheque, use your Business Debit card\* in any UK bank cash machine to get cash.\*\* We will not charge you for doing this.

## Cut the cost of paying in

You can use **Immediate Deposit Machines, Night Safes, Post Office® counters or cheque imaging via the Business Banking Mobile App** where we don't charge for paying in credits.

Alternatively, if your cashflow's healthy, wait until you've got several cheques before paying them in together as a single credit. Remember you are charged for every credit that you pay in over the branch counter, so paying in several cheques together rather than one by one means that, in addition to the cheque item fee, you only get charged for one credit.

Accumulate any spare cash that you're going to re-use soon and keep it in a safe at your business premises. Re-using £100 cash each week could save you money in bank charges over the course of the year – but don't forget to record all your earnings and make sure you don't exceed the cash sum that your insurance policy allows you to keep on the premises.

## Get your customers to pay automatically

Customers who pay you regular amounts may be happy to use automated credits like Standing Orders. Even one-off payments could be cheaper for both of you through Bacs, Telephone or Business Internet Banking.

## Keep an eye on your money

Check up on your finances once a week or every business day if you need it with our Business Internet Banking, Telephone Banking, or free Text Alert services. We'll send free text messages to your mobile phone, showing your account balance and the last six transactions – once a week or every day if you need it.

## Agree borrowing up front

If you need to borrow money, even for a short time, make sure you talk to us first to avoid extra charges for unauthorised borrowing.

All lending is subject to status.

\* Business Debit cards are subject to application.

\*\* The owner of the machine may charge you for the transaction. All LINK machines will give you an on-screen warning of charges, in advance, allowing you to continue or cancel the transaction.

The Post Office® and Post Office logo are registered trademarks of the Post Office Ltd.

## Business Current Account

With our Business Current Account, you pay a set price for basic transactions. All charges and interest are calculated monthly, from the 10th of one month to the 9th of the next. The first regular invoice you receive following each charging period will show any account transaction charges you have incurred and these will be collected 18 days (or the first working day) after the date of the invoice.

Where a monthly account fee is payable this charge will be applied in full in your monthly billing cycle.

If there are charges to pay but you're not due a regular statement, we'll send you an extra one free of charge.

We do not pay credit interest on this account.

## Other service charges (continued)

---

### Clerical administration fee

---

We are happy to discuss your day-to-day business banking activities without charge. However, if we spend a significant amount of time on a specific area not covered in this brochure, we may charge a fee. In all cases this will be agreed with you first.

---

### Using other banks

---

Other banks sometimes charge us when you use their counter services. In turn, we may pass these costs on to you. Your branch will be able to tell you which banks charge and why.

Inter-Bank Agency Agreements are arrangements between banks to provide a range of branch counter services to another bank's customers by prior arrangement.

They provide a convenient service to business customers who find the accessibility of their own bank's branches difficult – for example due to location.

---

### How do they work?

---

The nature and range of the counter services offered under an Inter-Bank Agency Agreement is at the discretion of the providing bank.

Once the service is set up, Bank of Scotland will claim back charges from the customer's own bank on a quarterly basis. The additional charge, if any, made by the account-holding branch is negotiated with their customer.

The Counter Services available at most Bank of Scotland branches are as follows:

- ▶ Cash payments (in or out)
- ▶ Cheques paid in
- ▶ Bank Giro credits
- ▶ Wages/salary cheques cashed
- ▶ Night safes
- ▶ Special presentations (cheques)
- ▶ Returned cheques collected.

While we wish to be as helpful as possible, there may be local circumstances where we are unable to provide this service.

---

### Other services

---

Some charges may not be included in your pre-notification. If this is the case, we'll call or write to tell you how much the service will cost, before we provide it.

---

All other Business Debit Card transactions	2.75% non-sterling transaction fee

All charges are per transaction unless stated otherwise. The above fees only apply to the Business Debit card and Keycard, and separate fees are applicable to all other card products. Please refer to your business management team for details of these charges.

## Charges when you borrow

If you need to borrow money for any purpose or period, please talk it over with us first to avoid paying unauthorised borrowing charges. Then, once we've agreed terms, we'll write to you to let you know the interest rate, when it's charged and the fees payable. In the case of an agreed overdraft, the limit, review date and current interest rate will be shown on your statement, and we will give you written confirmation of the terms at the time they are agreed. Please speak to your business management team for further details of the interest rate and fees that apply to our borrowing facilities.

Typical charges include:

- ▶ An arrangement fee, which may be payable depending on the amount you borrow
- ▶ Security fees

If required, we will arrange security against your borrowing. Your business management team can provide an estimate of the fees and expenses which may be payable in a given situation. You will also be required to pay expenses and fees which we may incur, such as:

- ▶ Solicitors' and/or valuation fees
- ▶ Expenses in connection with enquiries made about the security subject
- ▶ Fees payable to register the security.
- ▶ Early repayment charges may apply on fixed rate loans, on any amount you repay in addition to your agreed repayments.

**ANY PROPERTY GIVEN AS SECURITY WHICH MAY INCLUDE YOUR HOME, MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE OR OTHER DEBTS SECURED ON IT.**

All lending is subject to a satisfactory credit assessment and we will need your permission to carry out a credit check on you and your business.

You should not apply for an amount that you cannot comfortably afford to repay now and in the future to avoid the possibility of legal action.

Break costs may apply upon full/partial early repayment of the loan. These will be calculated based upon the loan rate compared to market rates at the time of repayment. These may be substantial.

## Unauthorised borrowing

If you overdraw your account or exceed an overdraft limit without prior agreement, you'll be charged a higher rate of interest of 23% EAR (variable). EAR is the Equivalent Annual Rate. This is the actual annual rate of an overdraft. It doesn't take into account fees and charges on this unauthorised borrowing.

We also charge the following fees:

---

### Unauthorised borrowing fee

### Charge

The first time you overdraw your account or exceed your agreed limit with us by £50 or more, an Unauthorised Borrowing Fee (UBF) is chargeable. After that, the UBF is chargeable every time you increase your unauthorised borrowing by £50 or more from the previous day's closing balance unless a higher limit is agreed with us, or until the account is within its existing limit or in credit.

£15 (one charge per day, maximum)

---

### Unpaid item

Where you do not have enough money available to make a payment and we do not agree to extend an unauthorised overdraft, you will not be able to make that payment. We will write to let you know and will charge the following fee for each item we do not pay.

£25 for each item not paid

---

We'll contact you every time we return an item unpaid. Any unauthorised borrowing or return item charges will be accrued into one lump sum and charged on a monthly basis.
